From the Management Office...

ATTENTION RESIDENTS

To protect yourselves, please use licensed and insured contractors per the prospectus. It might be a good idea for you to know the background of anyone you invite onto your home site for any reason. You are responsible for the conduct of persons you invite into the community.

ROOST RESTAURANT

We are pleased to inform you that Crane Lakes will assume the management responsibilities of the Roost. We hope you are as excited as we are about the new management team! The Roost will be closed temporarily for kitchen improvements and interior refreshing. Be sure that the new team will be of the utmost quality you have come to associate with Crane Lakes. We will also be revamping the current menu to include some great changes we are sure you will enjoy. The new management will honor existing balances on current gift cards. Please look for an announcement soon from our new management. There are many exciting things to come!

RENT IS DUE ON THE 1ST OF EACH MONTH

Remember, your rent is due on the 1st of each month. Late fees begin accruing on the 7th day of the month. To avoid late fees, please have your rent in the office by the 1st. If you have any questions, please refer to your prospectus. Automatic debit from your checking account is available, just call our office.

NEW GATE SYSTEM

The new gate system is on hold at this time. We have decided to go with the stickers with a bar code that goes on the windshield of your vehicle instead of the cards. You will need to bring in the registration on your vehicles in order to receive the stickers. The stickers are on order so please do not come to the office for the stickers until further notice. If you have any questions, you can call the office.

EMERGENCY AFTER HOURS OR WEEKENDS

If an emergency should come up after office hours Monday through Friday or on weekends, please call the gatehouse and they will get in touch with management to get the situation resolved. This is only for emergency situations, not a broken sprinkler or anything that can wait until the office is open. Thank you

PETS

Please be reminded that pets must be on a leash at all times. You may walk them in the streets or on the sidewalk. All pet droppings must be picked up and discarded sanitarly. **You may not walk them on the golf course or in your neighbor's yard.** Common Areas are acceptable except for the pool area.

IMPROVEMENTS TO YOUR HOME?

Please be advised that anyone who wishes to add, modify or change their existing home or change the leased lot, must fill out a design specification approval form available from our office. Once approved, the resident is responsible for all permitting and the use of licensed and insured contractors. The City of Port Orange will only issue permits to licensed and insured contractors (on the behalf of residents) for construction in a land leased community.

A Message From Your HOA Board

Welcome to long, hot, lazy days of summer. We trust you are finding ways to stay cool and comfortable. Your HOA Board is excited to introduce our brand new website. Take a moment to access <http://cranelakeshomeowners.com> Our meeting information, activities calendar and photo gallery are all just a "click" away. We are anxiously awaiting your feedback.

We want to see you at our informational meetings. Attend an informational meeting and **HOA members** will receive a chance to enter into our December drawing for three \$50.00 dinner gift cards! Your name will be entered each time you attend an informational meeting, one chance per household per meeting. **Not a member, come to a meeting and join.** Members receive discounted activity tickets and first opportunity to buy. The cost is \$20.00 per household. We look forward to seeing you on June 13th at 7:00 pm.

Would you like the opportunity to receive a reminder email for our meetings and events? We will be developing an email list for this purpose.

Thanks to Kay Gagarin, we are currently working with management and Voltran to have a regular bus stop at the entrance of Crane Lakes. More details to follow.

We have completed our activities calendar, but we do need chair people. There events include "old standbys" and some new ideas. Please check out the Activities section on our website to see what is planned. Unfortunately there will be no June activity. We look forward to seeing you at the July BBQ!

Once again we would like to thank Rich Coombs for providing The D-Day video. It was interesting and informative to watch. Rich is a true patriot.

Mark your calendars

EXTRA MEDICAL EQUIPMENT

Do you have extra medical equipment (walker, wheelchair, shower chair, etc.) that you would like to make available for use by your Crane Lakes neighbors? If you have any canes they would be appreciated.

We are making a list of available equipment, so that when someone needs to borrow something for the short term, we know who may have it available.

Please call us to let us know what you have for this project or if you find that you have a temporary need for medical equipment

We must also remember when you "borrow" an item it must be returned to its owner, so it can be shared once again. **Call:**

everyone to know we are not
some couch potato, we are
always on the go!!*

*On May 8th the ladies met for
lunch at the Boondocks
Outdoor Restaurant on the
river. On this occasion there
were 7 lovely ladies present
including our new member,
Trudy.*

*After lunch we took our left-
over French fries out on the
deck to feed the fish. I think
the ladies enjoyed watching
the fish scramble for a French

the food..*

*We will not have a meeting in

The cost is 11.00 per week per person, with \$4.27 of that going toward our prize money. We begin bowling September 3, 2013. Our last day is April 29, 2014. We will not be bowling Christmas or New Year's week.

If you have any questions or know you would like to join this fun group of bowlers, call Angie Hucknall at 386-265-4626.

Summer News from the Crane Lakes Resale Office

Do you know someone who would enjoy living in our beautiful community? If you like all of the numerous amenities that Crane Lakes has to offer and the resort like lifestyle, why not tell your other family members and friends about us? Please consider referring them to our office and we will work very hard to help match them up with one of our listings that meet their retirement home needs!

If they love Crane Lakes as much as you do and actually contract to purchase one of our listings during the months of June, July, August or September we will show our gratitude by giving you a check for \$100 after their closing takes place. We appreciate all of the great referrals that many of you have brought in to us already this year. Thanks!!!

We continue to be very successful at matching up new buyers with our listings this year. We sold another 11 homes in April and 3 more midway thru May already. This brings our grand total of our YTD homes sold in 2013 to 38 compared with last years' 29 home sales through the same time frame.

The great news for potential home buyers is that we still have a very nice variety of 14 great homes available with a couple at off season pre-summer pricing.
