INSPECTIONS IN OCTOBER

As a reminder it is that time again to do inspections. We are planning on performing the inspections the week of October 12th. To prevent receiving a letter, please make sure the weeding and trimming is completed, your house is wash if needed and your carport does not have stored items. Items stored in your carport may not be visible from the street. If you wish to store boats, trailers or other items on the carport, it must be screened by a material approved by Crane Lakes Management. We will be including painting of shutters and trim work, so please if needed have them painted. We appreciate your help with keeping Crane Lakes a wonderful community to live in. Your cooperation is greatly appreciated and we thank you in advance.

GARBAGE, RECYCLE AND YARD WASTE

Please remember that Garbage, Recycle, and Yard Waste may be placed at the side of your driveway no earlier than the night before pickup. If you have contracted someone to trim and weed your lot, please make them aware of our rules and regulations.

RESIDENT LANE AT GATEHOUSE

Please note: If you are driving in on the resident lane at the gatehouse be sure to yield the right-a-way to the guest lane. **They do have the right-a-way coming into the community**. There is a stop sign on the gatehouse side as you are driving up to the gatehouse. Sometime people do not stop as they should putting our gatehouse attendant in danger. Please make sure you and all your guest stop at the gatehouse before entering Crane Lakes. We also ask when approaching the reader, please do at a slow speed. We want to make sure everyone is safe.

Walking Safety Rules

BY Wendy Bumgardner, About.com Guide

- **Walk Facing Traffic**: If there is no sidewalk and you must walk on the side of the road, choose the side where you are facing oncoming traffic. This gives you the best chance to see traffic approaching closest to you and take evasive action when needed.
- **Cross Safely**: Look both ways before crossing any street. Make eye contact with any drivers who may be turning. Give them a wave. Make sure they see you. **Walk Single File**: Unless you are on a sidewalk separated from the road or a wide bike lane, you should walk in single file. This is especially important on a road with lots curves, where traffic has only a split second chance of seeing you before hitting you. While it can be enjoyable to walk down the road two to three abreast chatting merrily, drivers don't expect it and you may lose your best walking buddies.
- **Stay Aware of Bikes and Runners**: Share the road and path with bikes and runners. Bike riders should alert you when approaching from behind with a bike bell or a "passing on the left/right." Listen for them, and move to walk single file, allowing them to pass safely. Runners should also call out for passing. Bike-walker collisions can result in broken bones or head injury for either — and you aren't wearing a helmet.
- **Be Visible**: Wear bright colors when walking in daytime. When walking at night, wear light-colored clothing and **reflective clothing or a reflective vest** to be visible. Drivers are often not expecting walkers to be out after dark, and you need to give them every chance to see you, even at street crossings that have crossing signals. Be just as cautious at dawn or twilight, as drivers still have limited visibility or may even have the setting or rising sun directly in their eyes.
- **Be Predictable**: Make a practice of staying on one side of the path while walking rather than weaving randomly from side to side. Watch your arm motions, or you may end up giving a black eye to a silently passing walker, runner or biker.
- **Keep the Volume Down**: Don't drown out your environment with your iPod. Keep the volume at a level where you can still hear bike bells and warnings from other walkers and runners. Your audiologist will also thank you.
- **Hang Up and Walk**: Chatting on a cell phone while you walk is as dangerous as chatting while driving. You are distracted and not as aware of your environment. You are less likely to recognize traffic danger, passing joggers and bikers or tripping hazards. Potential criminals see you as a distracted easy target.
- **Walk Dogs on Short Leashes**: There are many tragedies of dogs running out in to traffic or getting into a fatal dog fight either off leash or on a very long leash. Don't trip up other walkers or bikers with poor control of your pet. Keep your pet and yourself safe by learning proper leash walking.
- **Know When to Stop Walking**: **Heat sickness, dehydration, heart attack or stroke** can strike walkers of any age. Learn the symptoms of medical emergencies and carry a cell phone to dial 911.
- **Be Aware of Stranger Danger**: Choose your walking route for paths frequented by other walkers, joggers and bikers. If you see someone suspicious, be prepared to alter your course or go in to a store or public building to avoid them. Acting alert and aware can convince bad guys to choose an easier target.

IMPORTANT SAFETY INFORMATION

We have received many concerns and complaints regarding vehicles going faster speeds than that is posted in the community.

The entire community speed limit on our streets is **20 MPH**.

It is important to remember the streets are all shared by people doing the following:

- Walking
- Walking their pets
- Riding in golf carts
- Riding bicycles
- Driving vehicles

All of the above have a right to use our streets, so it is important for all vehicles to stay within the 20 MPH speed limit, and also be sure to **STOP FOR ALL STOP SIGNS**.

We would rather not resort to some type of Road Bumps or any type of legal speed monitoring.

PLEASE BE SURE NOT TO EXCEED THE SPEED LIMIT FOR THE SAFETY OF ALL RESIDENTS AND GUESTS.

Thank you for your understanding and cooperation in following this very important matter.

NEWS FROM THE CRANE LAKES RESALE OFFICE

This Summer our home sales have been down from a year ago, due to lose of client traffic in April & May, because of the Covid traffic restrictions. The past ninety days our sales trends have almost recovered to "normal seasonal sales". We see more and more clients returning to Crane Lakes and buying a home here.

We also continue to see a steady flow of new clients contacting us that are very interested in learning more about our homes and our community. Our inventory of listings is currently unusually low for this part of the year with just three listings verses eleven that we had available at this time in 2019.

If you might be considering a move in the near future, please consider giving us a call to get your free market evaluation as to where the market is currently trending on your model. This year, many buyers have been price shoppers looking for a nice home in excellent condition, with most selling in the $80k to $110k range. However, we are still selling a number of larger garage homes with a golf & water view in the $130,000- $179,000 range. This type of buyer tends to be comfortable waiting for their "perfect home" to come on the market before they write a purchase offer. We have several clients watching our site for new listings.

Don't forget, that we still offer our referral program to all current residents. So, if you do bring a new customer into our sales office that purchases one of our listings during the month of October, we will gladly say "thank you" to you with a $100 check after the home closing takes place.

Call us at 386-304-0983 or email us at www.cranelakessales@gmail.com for an appointment to see our homes or to list your home with our sales office. See all of current listings @ www.cranelakes.com on the "Buy a home" tab.

Our current office hours are:

9:00 - 4:00 Weekdays,

10:00 - 2:00 Saturdays,

& Sundays by appointment

F.M.O. NEWS…

There are still no F.M.O. meetings scheduled due to the current limitations.

The F.M.O. needs new members, as membership has fallen this year. Please consider joining as this is the only way to pay our lobbyist.

A survey was sent to all House/Senate candidates. The September/October F.M.O. magazine will list all candidates who earned the F.M.O. endorsement. The F.M.O. endorses candidates throughout the state, as we need their support statewide to protect our lifestyle.

In our area, district 25 representative, Tom Leek is endorsed and you are encouraged to vote for him. Senator Tom Wright is not up for re-election until 2022.

Another way to support the F.M.O. is through their go fund me page. It is not tax deductible. Go to: charity.gofundme.com/o/en/campaign/fmo01

If you join or renew your membership to the F.M.O. you will be in the quarterly drawings for $25.00. If you joined for three years, you will be in the drawing on the anniversary of the month you joined.

Applications to join the F.M.O. are on our website: www.cranelakeshomeowners.com. You can also go to FMO.org/membership_applications, or call me and I will drop one at your house and then mail it for you. Cost is $25 for one year or $65 for a three year membership.

If you have any questions, please do not hesitate to call me.

Thanks for your support of the F.M.O.

Bill Hawkins – Park Representative
