ATTENTION RESIDENTS

To protect yourselves, please use licensed and insured contractors per the prospectus. It might be a good idea for you to know the background of anyone you invite onto your home site for any reason. You are responsible for the conduct of persons you invite into the community.

2022 DIRECTORIES ARE IN!

Please stop by the office to pick up your 2022 directory during office hours. Please only **ONE** per household until everyone gets a copy. Thank you

RENT INCREASES.CABLE AND GOVERNMENT & UTILITY CHARGES

By this time, you should have received your rent increase notice. Please remember the new amount takes effect January 1, 2023. The government and utility charges are due at that time as well. You may begin paying the government and utility charges before that date, **but it must be paid in full by the 1st of January 2023 to Crane Lakes.** Please indicate what you are paying for on your check. **The total amount for the government and utility charge is $740.99**. Residents who have signed the form in the past few years for their taxes to be automatically deducted from their checking/savings account will be taken out again this year in the month of January 2023. If you are not sure if you did, please call the office. **Please note: Cable Fee will increase January 1, 2023 to $63.00.**

WATER UNDER YOUR HOME?

Occasionally management receives complaints that some residents have water under their home. Crane Lakes is not responsible for water going underneath your home unless it is a sprinkler issue. If you believe a sprinkler is the problem, we can gladly assist you in that regard; otherwise, water issues under the home are the residents' responsibility. It may be your downspouts, curbing, heavy rains or other issues causing the problem. Many residents have installed drains under their home at their own expense.

GARBAGE, RECYCLE AND YARD WASTE

Please remember that Garbage, Recycle, and Yard Waste may be placed at the side of your driveway no earlier than the night before pickup. If you have contracted someone to trim and weed your lot, please make them aware of our rules and regulations. Please do not place anything on the grass!!!

RESIDENT LANE AT GATEHOUSE

Please note: If you are driving in on the resident lane at the gatehouse be sure to yield the right-a-way to the guest lane. **They do have the right-a-way coming into the community**. There is a stop sign on the gatehouse side as you are driving up to the gatehouse. Sometime people do not stop as they should putting our gatehouse attendant in danger. Please make sure you and all your guest stop at the gatehouse before entering Crane Lakes. We also ask when approaching the reader, please do at a slow speed. We want to make sure everyone is safe.

Keeping Your Home Safe: Burglary Prevention Tips

Many burglars will spend no longer than 60 seconds to try breaking into a home. Good locks -- and good neighbors who watch out for each other -- can be big deterrents to burglars.

CHECK THE LOCKS

Did you know that in almost half of all completed residential burglaries, thieves simply breezed in through unlocked doors or crawled through unlocked windows?

- **Make sure every external door has a sturdy, well-installed dead bolt lock. Key-in-the-knob locks alone are not enough.**
- **Sliding glass doors can offer easy access if they are not properly secured. You can secure them by installing commercially available locks or putting a broomstick or dowel in the inside track to jam the door. To prevent the door being lifted off the track, drill a hole through the sliding door frame and the fixed frame. Then insert a pin in the hole.**
- **Lock double-hung windows with key locks or "pin" windows by drilling a small hole into a 44˚ angle between the inner and outer frames, then insert a nail that can be removed. Secure basement windows with grilles or grates.**
- **Instead of hiding keys around the outside of your home, give an extra key to a neighbor you trust.**

CHECK THE DOORS

- **A lock on a flimsy door is about as effective as locking your car door but leaving the window down.**
- **All outside doors should be metal or solid wood.**
- **If your doors don't fit tightly in their frames, install weather stripping around them.**

Install a peephole or wide-angle viewer in all entry doors so you can see who is outside without opening the door. Door chains break easily and don't keep out intruders.

SPEEDING IN THE COMMUNITY

Speeding is not just a nuisance but a danger to our community's homeowners and their guests. It is a difficult issue to address and enforce effectively but we need "ALL" of your help to do it. We need to address this immediately to protect our community.

Clearly, speeding is a serious problem!!!!! The dangers of speeding and keeping our community and guests safe can only be stopped by "YOU". We have posted and added several signs and continue to include memo's in our Courier. We have sent letters to homeowners even though it has not helped. This continues to be a major problem!!! We are asking you to slow down on behalf of everyone in the community.

The speed limit in the community is 20 MPH

For everyone and all vehicles.

Please follow the speed limit in Crane Lakes for the safety of everyone.

News from the Golf Course

Golf Quote of the Month

Golf is 20% mechanics and technique. The other 80% is philosophy, humor, tragedy, romance, melodrama, companionship, camaraderie, cussedness, and conversation. *-Grantland Rice, noted American sportswriter*

Tips from the Tee: Hit balls with your feet together

This may be one of my favorite practice drills of all time! Hitting a few shots each day with your feet completely together will promote a better blend of hand and arm swing with the appropriate body action. Most slicers have an over dominant upper body action. This will get your hands and arms more involved in the action and get rid of that slice!

NEWS FROM THE CRANE LAKES RESALE OFFICE

If you have been considering a move in the near future, there has been no better time than 2022 to list and sell your home for top dollar thru our sales office. The news has been reporting a softening in site-built home selling prices in Central Florida of approximately 8% per month since June. However, it remains rare to be able to find a site-built home in nice condition under $300,000 in our area. Therefore, Crane Lakes homes remain a very good option for buyers looking in the $150,000 to $250,000 price range!

Please give us a call to get your free market evaluation at no obligation to you to find out where the market is currently trending on your model. This year, many buyers have been paying top dollar homes in excellent condition, but also paying record prices for homes in near original condition too. The average selling price this year is up nearly $40,000 from this time just one year ago. We have several clients watching our site daily for new listings.

Don't forget, that we still offer our referral program to all current residents. So, if you do bring a new customer into our sales office that purchases one of our listings through the end of the calendar year, we "thank you" with a $100 check after the home closing takes place.

Call us at 386-304-0983 or email us at www.cranelakessales@gmail.com for an appointment to see our homes or to list your home with our sales office. See all of current listings @ www.cranelakes.com on the "Buy a home" tab.

Our current office hours are:

9:00 - 4:00 Weekdays,

10:00 - 2:00 Saturdays,

& Sundays by appointment

Greetings Roost Guest's and Family Members;

I would like to update everyone on the progress of "The Roost". As we are in the final stages of our major renovations; there are still many small nuances and details that need attention. With that being said, we are looking to have our soft opening Monday Oct. 17th and Tuesday Oct. 18th *tentatively* (reservations only), pending there are no other obstacles in our path. We will start taking telephone reservations Tuesday October 11th with limited space available per time slot.

We are excited to get back up and running to give you that exceptional service, food, quality, and atmosphere Crane Lakes is anticipating. Also, we are doing our very best to accommodate all of the needs and recommendations we have encountered over the past few weeks. There are a tremendous number of great ideas that many of you have approached us with which will be executed once we are acclimated and comfortable with day-to-day operations. As we navigate through the upcoming months, we will adapt and evolve as the opportunities present themselves. I will keep all updated through the Crane Lakes website and add a link to The Roost's website when completed. Once again, we are all very excited to serve you in the near future!!

Respectfully,

Jerimee E. Gum

F.M.O. NEWS…

The F.M.O. is celebrating it's 60th anniversary this year. The F.M.O. started on July 30, 1962, in St. Petersburg to protect mobile homeowners on leased land from unjust taxation and discriminatory legislation. Today there are 736 parks with F.M.O. members and 220 park representatives. The F.M.O. is comprised of volunteers that are dedicated to preserving our way of life.

The F.M.O. needs all members to renew their memberships and talk to their friends and neighbors about the importance of joining the F.M.O. Membership dues are the only source of income to pay our lobbyist in Tallahassee.

Applications to join the F.M.O. are in the hallway across from the gym and on our website. Just fill out and mail or drop in my mailbox at 2228 Crane Lakes Blvd. and I will mail it to the F.M.O. office for you. It is only $25.00 for 1 year and $65.00 for 3 years. If you have any questions, please do not hesitate to call me at 386-214-0118.

If you join or renew your membership you will be entered in a drawing for a $25 gift card to a Port Orange restaurant of your choice. The contest to renew or join the F.M.O. continues for the balance of the year. The next drawing will be in October.

Since there were no H.O.A. meetings for July or August, the 2nd quarter drawing for the F.M.O. contest will be held at the H.O.A. meeting on September 8th.

THE DECLARATION OF HOMESTEAD
THE DECLARATION OF DOMICLE INFORMATION

The Declaration of Homestead and The Declaration of Domicile are two very important documents every owner of a manufactured or mobile home needs to know about.

Under Florida's Homestead laws (Florida Statutes 222.05 and Article 10, Section 4 of the Florida Constitution), a properly filed Declaration of Homestead can protect your manufactured home located on leased land from lien or forced sale by a judgment creditor seeking to collect a debt.

222.05 Setting apart leasehold. —Any person own ing and occupying any dwelling house, including a mobile home used as a residence, or modular home, on land not his or her own which he or she may lawfully possess, by lease or otherwise, and claiming such house, mobile home, or modular home as his or her homestead, shall be entitled to the exemption of such house, mobile home, or modular home from levy and sale as aforesaid.

Article X, Section 4 Florida Constitution SECTION 4. Homestead; exemptions. — (a) There shall be exempt from forced sale under process of any court, and no judgment, decree or execution shall be a lien thereon, except for the payment of taxes and assessments thereon, obligations contracted for the purchase, improvement or repair thereof, or obligations contracted for house, field or other labor performed on the realty, the following property owned by a natural person: (1) a homestead...

You must get a form DECLARATION OF HOMESTEAD and file it with the Clerk of the Court for the county you live in. Many of these clerks don't know that you are eligible. They think it is just for those who own the land their home is on. Most land-owned homeowners file it to get a reduction in real estate taxes, which it also does grant. But you, as a manufactured homeowner on leased land, want the legal protection against a forced sale that registering your mobile/manufactured home as your homestead offers.

If you do not register your home with the Clerk of the Court under Florida Statue 222.05, it is considered a motor vehicle and does not have the same protections as a house. Manufactured and mobile homes are registered in the Department of Motor Vehicles and not classified as "homes". You must officially declare it your homestead by filing a Declaration of Homestead with the Clerk of Court.

The FMO has provided a snapshot of the form for the "Declaration of Homestead Manufactured Home", which follows this article. You must have this form notarized by all owners. Do not sign it in advance of going to a Notary. Then after it is notarized take it to the Clerk of Court in your county to register it. Bring the notations from the Florida Statute 202.05 and the Florida Constitution Article 10 Section 4 with you so avoid problems and repeat trips. Then after it is registered with the Clerk of the Court, make copies and keep the original stamped version in a safe place like a safety deposit box.

THE DECLARATION OF DOMICILE

The second important document to file is the Declaration of Domicile. That document declares your manufactured home as your "domicile" in case you ever need Medicaid to pay for a nursing home. According to Medicaid rules, you are allowed to keep one home and one car to receive Medicaid aid. Without this Declaration of Domicile, your home is classified as a vehicle with the Department of Motor Vehicles. Hopefully, you will never need Medicaid, but this simple form is good insurance just in case the future brings problems.

You must declare that this manufactured home is your permanent home and your principal place of abode. You can have a home elsewhere too but the Florida home has to be your principal home. You must be a bona fide resident of Florida.

You will need a form called Declaration of Domicile; a sample can be found in the State Programs section of FMO's website but each county has their own. You can go online to get a form from your county or go in person to the Clerk's office. To register you must go in person with a Florida driver's license for identification to the County Clerk. There is a fee which varies from county to county. Some let you get it notarized elsewhere and the cost to register is less. No personal checks are accepted. If you are married, you should go together for one fee or, if you go separately, it is two fees. You will receive a recorded form from the clerk. Be sure to copy it, and keep the original in a safe place.

The Declaration of Homestead Forms will be in ballroom

HELP WANTED!

We need some volunteers to help us load Crane Lakes food donations onto trailers!

Thursday, November 3rd, we will need a few volunteers to help move the donation boxes in the ballroom about 9 a.m. to clear the way for the Craft Fair that weekend and then setup the donation table after the Craft Fair.

Thursday, December 1st, we will need help loading the trailers about 8:30 a.m. at our house (2228 Crane Lakes Blvd.) and at the Clubhouse! The more volunteers we get, the easier the job will be!

If you are willing to help, please give us a call!

Bill (214-0118) or Barb (214-3300)

Volunteers Needed

The Crane Lakes HOA has a slew of events scheduled for 2023, but in order to put them on, we need volunteers to step up and serve as hosts/hostesses. Dates and themes have already been chosen and the entertainment has been booked.

As a host/hostess, you get to decide how you'd like to decorate the ballroom to match the theme and find volunteers to help you set up the decorations before the event and remove them after the event. You'll be reimbursed for the decorations by the HOA.

We've had the same group of people running most of the events this year and, without help next year, we may not be able to have as many events.

We'd love to be able to offer a full slate of activities, so if you can serve as a host/hostess, contact Jane Hammack at 435-602-0296.
