From the Management Office...

ATTENTION RESIDENTS

To protect yourselves, please use licensed and insured contractors per the prospectus. It might be a good idea for you to know the background of anyone you invite onto your home site for any reason. You are responsible for the conduct of persons you invite into the community.

RENT IS DUE ON THE 1st of EACH MONTH

Remember, your rent is due on the 1st of each month. Late fees begin accruing on the 7th day of the month. To avoid late fees, please have your rent in the office by the 1st. If you have any questions, please refer to your prospectus. Automatic debit from your checking account is available, just call our office.

SAFTEY IN THE COMMUNITY

We know there is many concerns with safety in the community. We do feel that Crane Lakes is still a safe community to live in. We are taking extra steps to address the situation of the events that has been happening. Port Orange Police Department is also checking in here more often and investigating the situation. We ask everyone in the community to keep your eyes open and if you see someone in the community that looks suspicious, please call the police right away even if you may think it is nothing. When you come in on the resident side of the gatehouse, please do not follow closely and make sure the person behind you is not following you closely. We are finding that people are getting into the community from the resident side by following the resident's vehicle close and sneaking in. We need to all work together and keep a watch out for anything that looks suspicious. As a reminder, our gatehouse attendants are not security guards. With the summer months approaching, many of our residents will be leaving or already have left. Keep an eye on your neighbor's house while they are away. If you see something not looking right, you can call the office, but we do prefer you call the police department. They need plenty of time to get here. When you call them, it goes through a couple of dispatchers before a police officer will get the call. We want them to get here as soon as possible. Make sure all your doors and windows are locked and your garage doors are down. It has been suggested to remove your garage remote from your vehicle as a precaution. Our nighttime patrol have seen a few garage doors open at night while they are doing their patrol. Many break-ins occur when we make it easy for them to enter. Please make sure your vehicle doors are lock at all time. If you have any questions, feel free to call the office.

POOLS AND SPA

It's that time of the year when the pool gets busy and crowded. We are asking all residents and their guest to follow the rules which are posted. No guest is permitted to bring a guest. We need to be considerate of everyone. Remember, this is an amenity for our residents and their guest only. We have included a copy of the rules for you to review and follow. Thank you in advance.

GARBAGE, RECYCLE AND YARD WASTE

The Management office is getting many complaints concerning the issue of garbage & yard waste being put out early. Please remember that Garbage, Recycle, and Yard Waste may be placed at the side of your driveway ***no earlier than the night before pickup***. If you have contracted someone to trim and weed your lot, please make them aware of our rules and regulations. Thank you for your cooperation with this matter

Tips from the Tee

Unlock Your Arms for More Power

One of the positions powers hitters and great ball strikers have in common is an easy athletic setup that is tension free. Relaxed muscles produce speed and a fluid swing. Tight muscles slow things down and restrict the body's range of motion. Tension in the arms is a common problem I see among amateurs. I teach my students to lighten their grip pressure and develop soft arms. If you watch old videos of the great Sam Snead and Ben Hogan you will see they each did this beautifully. Today someone that comes to mind is Jason Dufner. Get rid of the tension and watch the ball fly farther than ever with less effort.

MESSAGE FROM YOUR HOA BOARD

Thank you for your attendance and participation May Information meeting. Detective Nick Vincenzi updated us on the recent rash of home invasions. He shared information the police are following up on and what we can do to help resolve the issue. Police reported that the three people involved in the burglaries are of Polish, Romanian and Mid- Eastern decent. They are part of a national ring of traveling thieves. They use rental cars and look for easy targets. It is their practice to drive around and watch for people to leave their homes. The same national group is responsible for home invasions in other parts of Volusia County and Florida in general. They are entering the communities by "piggy backing" residents as they drive through the gate. You can help by going through the gate slowing and stopping if there is a car tailgating you. Police request that you report anything suspicious by calling 911. We ask that you remain vigilant. Crane Lakes Management is working with police and are planning updated security measures.

At the Meeting we shared the information from the May 4th Board/Management Meeting. We would like to thank the Management team for taking the time to meet with us and listen to our concerns. The comments and response from Vicki and John were thoughtful. Please check the Information Meeting Minutes for the questions and responses from that meeting. As a result of that meeting Both Craig Wells and Mike Huber will be attending and speaking at the October 13, 016 meeting.

On April 16 Crane Lake residents were treated to Acapella music by "The Blend." Many residents commented that this was one of the best performances that we have sponsored. A variety of music from the "50's through the 70's was sung expertly by the group. The audience participated and thoroughly enjoyed the music. Thank you to Linnea and Pat Mason for chairing this event.

Upcoming events include our annual Independence Day BBQ on July 2, a Daytona Tortugas Baseball Night on July 26 and a summer dance on August 20. Please check the Courier for ticket information.

At this writing we do not have a Chairperson for our Christmas Dance or New Year's Eve Celebration. Without chair people we will not be able to hold these events. Please consider volunteering to chair one of these events. Call Barbara Risdon, our Activities Chair to volunteer. Barbara has offered to guide anyone through the event. She is a wonderful resource and would be very supportive.

We hope you are off to a great summer. Have fun, keep cool and attend the June Information Meeting on June 9. We will not be having Information Meetings in July or August

At the recent "Coffee with the Port Orange City Manager" Jake Johanssom discussed the availability of a "Citizens Connection" a "….quick and easy way to contact the city with your concerns". With Citizens connection you can notify or ask the city about anything from a general enquiry, a complaint or even a compliment. If you make a contact about something of concern you will receive regular e-mail updates about the status of it. You can reach "Citizen Connection" at WWW.port-orange.org/citcon.

While you are at "Citizens Connection" you should take a look at the rest of the Webpage, it contains a great deal of valuable information

Crane Lakes Blood Donor Drive

We were a bit lower in donations than was expected, possibly because of the miserable weather. Even though, ONEBLOOD was pleased with the turnout. Twenty-one people came to contribute, of which eleven were able to donate. I'd like to thank all those that came out from the community, administration, maintenance crew and the Roost. Someone out there will benefit from your generosity.

Our current plan is to have a drive twice a year, one in October and the second in April. Build up those Blood cells so you can be a contributor at the next one.

Thank you,

Bob Norville

Crane Lakes Food & Wine Club

Est: 2015

May 2016 Meeting

A group of 30 members attended our May meeting and enjoyed some outstanding food and a delicious selection of wines from Oregon. We also were pleased to have two new couples join the club – Dave and Sandy Grierson and Alden and Kathleen Miller.

An interesting and informative presentation of our featured wine region for the month was given by Jack Curran. As mentioned at the meeting, we will have someone do a presentation each month of the featured wine region.

As Oregon is widely known for its Pinot Noir we were surprised to have such a wide selection of whites and enjoyed a nice selection of Pinot Gris, Chardonnay, Riesling in addition to the reds of Pinot Noir and

Of course, our outstanding cooks produced a virtual feast including great appetizer of Tillamook cheeses and goose liver pate, some wonderful smoked salmon with dill, great rosemary chicken with baby potatoes, delicious penne with flaked salmon and a pasta and shrimp salad. For dessert we enjoyed an outstanding warm apple pie, a pineapple upside down cake, a lemon cake and Oregon Cherry cake.

The next meeting will be held on June 12th and will feature the wines of the Maipo Valley in Chile. The Maipo Valley, is home to traditional and modern wineries. Its red wines are world-renowned for the elegance of its Cabernet Sauvignons, the gentleness of its Carmenères, and the balance of its Syrahs.

In addition to its great reds, Maipo valley produces interesting white wines such as Viognier, Sauvignon Blanc, Chardonnay, Pinot Gris and Rieslings to name a few. This region should give us a great selection to taste!! Also, this region produces a wide and varied assortment of foods, so our cooks will have a great time coming up with interesting items for us to enjoy.

Everyone please remember to ask your friends and neighbors to see if they might be interested in joining our group. As you know, we are open to all residents of Crane Lakes and welcome new members.

To our Dearest Friends

In the last seven years, Dennis and I have made so many wonderful friends here in Crane Lakes. It is the "Greatest Community" that comes together in fun and "sadness".

Summer News from the Crane Lakes Resale Office

Do you know someone who would enjoy living in our beautiful community? If you like all of the numerous amenities that Crane Lakes has to offer and the resort like lifestyle, why not tell your other family members and friends about us? Please consider referring them to our office and we will work very hard to help match them up with one of our listings that meet their retirement home needs!

If they love Crane Lakes as much as you do and actually contract to purchase one of our listings during the months of June, July, August or September we will show our gratitude by giving you a check for $100 after their closing takes place. We appreciate all of the great referrals that many of you have brought in to us already this year.

We continue to successfully match up our buyers with our sellers. We have sold 25 homes YTD in 2016 compared to 22 in 2015.

Our residents continue to enjoy living here and are staying longer in their homes. However, our clients remain very interested in purchasing homes here and continue to track our listings on a regular basis on cranelakes.com.

Our staff wants to thank you for taking such great care of your homes & yards. It really makes a difference to the first impression of our community to our clients. They are always commenting on how nice our community looks and how friendly our residents are to them.
