AUGUST 2016

From the Management Office...

ATTENTION RESIDENTS

To protect yourselves, please use licensed and insured contractors per the prospectus. It might be a good idea for you to know the background of anyone you invite onto your home site for any reason. You are responsible for the conduct of persons you invite into the community.

RENT IS DUE ON THE 1st of EACH MONTH

Remember, your rent is due on the 1st of each month. Late fees begin accruing after the 7th day of the month. To avoid late fees, please have your rent in the office by the 1st. If you have any questions, please refer to your prospectus. Automatic debit from your checking account is available, just call our office.

APPLICATION FOR RESIDENCY, OCCUPANY OF HOMES, AND RENTERS

Some residents have allowed friends and family to live in their home without proper authorization. All potential residents must fill out our application for residency, have orientation with our office, pass a background check and be in good standing with our rules and regulations. **One person in the home must be age 55 or over with other occupants being a minimum age of 40.** There are some exceptions to this rule with management approval. This rule includes residents who rent their homes and the persons renting them. Anyone who will be renting your home may do so for a **minimum of six (6) months and must comply with the above**. Please do not jeopardize the tenancy of yourself and your home by not complying. We do keep an up to date HUD census in our office with copies of identification as residents move in and out of our community.

REMEMBER, NO ONE UNDER THE AGE OF "40" IS ALLOWED TO LIVE IN CRANE LAKES.

DANCE FLOOR CLOSED FOR RESTORATION

The ballroom dance floor will be closed starting Monday, August 22 through Saturday, August 27th due to restoration. Please make sure to stay off of the floor during this time. It will take 3 to 4 days to complete the work and a couple of days to completely dry. We are sorry for the inconvenience.

GARBAGE, RECYCLE AND YARD WASTE

Please remember that Garbage, Recycle, and Yard Waste may be placed at the side of your driveway no earlier than the night before pickup. If you have contracted someone to trim and weed your lot, please make them aware of our rules and regulations.

OVERNIGHT STREET PARKING

Please remember street parking is allowed for no longer than 3 consecutive hours during daylight hours. Residents and their guests must park in the driveway or in specially designated areas around the Community. There is no overnight parking allowed on the streets for any reasons. If an emergency vehicle comes in the community, they need to be able to go down all streets. This is a very important rule and someone's life may depend on it.

Golf Cart Safety

See insert for golf cart Safety!!!! For the safety of all residents and their guest be sure follow the rules and guidelines for golf cart driving.

2016 DIRECTORIES ARE IN!

Please stop by the office to pick up your 2016 directory during office hours. Please only **ONE** per household until everyone gets a copy. Thank you

Tips from the Tee - Eyes Over the Ball When Putting

If you been struggling with your putting lately do yourself a favor and check your setup. Specifically your eye position at address. 99.9% of great putters either have their eyes directly over the ball or just slightly inside the target line. This position is so important because it directly effects how you perceive the target and has a huge influence on the amount of arc you will have in your stroke. To check your eye position get setup to putt as you normally would and simply drop another ball from the bridge of your nose. This ball should hit the ball on the ground or just slightly miss it to the inside of the target line. If you're a little shorter individual, you may notice that your putter is too long to allow this to happen. Check out www.eyelinegolf.com for drills and a practice mirror to help you get into a better position and make more putts.

A Message from Your HOA

At the writing of this letter, there is no doubt that it is summer in Florida!!! We trust you are finding ways to stay cool and comfortable. Thanks to all those who attended the HOA July Board meeting. There was no information meeting for July.

Once again we had a very successful July 4th BBQ. We received a number of very positive comments on the quality of the food. Thanks to all who attended and all those who helped, especially Chair people, Diane Grzelak and Jean Hoon.

We are looking forward to the Neighborhood Dance on August 20. Tickets go on sale July 20th. Please join us for a night of dancing, fun and friendship. One of our members is considering an activity for September. Please read our group emails and look for flyers regarding this possible event.

At the meeting we discussed how we would present the annual budget to the membership . We are going to include actual numbers for the 2014-15 budget, the 15-16 budget and the current budget, in addition to the proposed 2017 budget. ***Please remember you need to be a 2016 HOA member to vote on this budget in November.*** There will be a Board Budget workshop in August to further develop the proposed budget. It will be presented to the Membership in September.

Since there is no information meeting this month, we hope to see you at the Board Meeting on August 1, 2016. Please plan on joining us on September 8, 2016 for our next information meeting. Stay cool and enjoy your summer!

Best kept secret @ Crane Lakes!
Most of our Crane Lakes residence do not know there is a Yoga teacher who lives in Crane Lakes.

She has been in India to learn and to teach yoga. She has taught yoga at our own Port Orange YMCA to seniors.

Shanti has volunteered to teach yoga here in the Club House at 3:00 on Tuesdays.

NOTICE:
There will NOT BE ANY Bunco in August.
Let's start off the new season with a Bang in Sept.
Mark your calendar for Sept. 15th and come and play the fun dice game of Bunco.

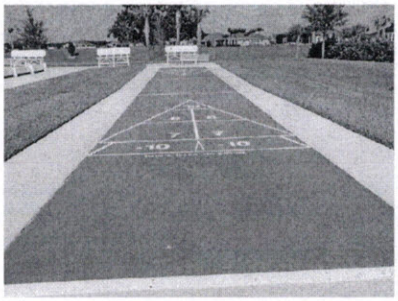
GUESS WHAT

It's almost time for Tuesday Night Shuffleboard again!!



If you would like to sign up for our 2016/2017 season, please let me know as soon as possible.

There will be a signup sheet posted at The Happening Place after August 1st.

You can call me or e-mail me if you would like.

Starting date will be September 13th. As usual we will play for 10 weeks until November 15th. We will then take a holiday break and resume again on January 10th

The play times will be decided when I see how many teams sign up.

If you do not have a partner, we will try to match you with another player.

GOING ON

A Support Group

for those experiencing Grief following the loss of a spouse.

On Tuesday June 7, 2016 the HOA Board of Directors approved the forming of a new group speaking to the opportunity of Going On following the death of a spouse or loved one. Under the auspices of the present Bereavement Committee, ***GOING ON,*** will host its **second meeting** on Friday evening, August 26. The purpose of this new group is to offer support and direction, in a group atmosphere, to men and women suffering the loss of a spouse or other.

Maryann Curran, BS, MSCP and Jack will host this group in their home at 5459 Red Tail Drive from 6:00 to 8:00 p.m. This second get together will feature input from the leaders, group discussion, sharing and Q&A and will be followed by light refreshments. All residents of our community are welcome.

If you are interested in a positive experience, please contact the Currans at 756-2685 in order that we know who and how many plan to attend. For all practical purposes the group is limited to less than fifteen participants. There will be no cost -- just your time and participation! **August 26 from 6:00 to 8:00 p.m.**

Looking forward to hearing from you, Maryann and Jack

Golf Cart Safety

Residents driving around in golf carts are not an unusual sight in Kings Point and Greater Sun City Center. Golf carts are not only used to play golf and recreation, they are also an efficient means of transportation for shopping, medical appointments, etc., or just having fun.

Golf carts are involved in a number of accidents each year, resulting in personal injury, death, and property damage. To prevent accidents in our neighborhood, all residents who operate golf carts should be trained before using the vehicles. This training should include the proper procedures for operating and maintaining golf carts.

Safety Policy

This written statement describes the policy regarding the safe use of golf carts. Experience has shown that commitment and active participation, by All Residents, are necessary to achieve beneficial results. When our Residents demonstrate genuine interest in preventing accidents and providing a safe environment, our golf cart drivers' are more likely to do the same.

This is a safety policy statement to develop personal awareness and involvement. You must set a good example and communicate your interest to all Residents.. To do this, we have written this safety policy, and will place it in as many visible locations as possible, for all to see and refer to. "It is the intent of the KP Federation Golf Cart Committee to provide information to help make Kings Point and Greater Sun City Center a safe place for you to live, work and play. Accident and injury prevention is an important part of our job and yours. Working together, we can achieve our goal of safety. Your ideas and safe working practices are important and safety is everyone's responsibility. It is your personal responsibility to help protect our, equipment, facilities, and grounds. Residents operating golf carts should be orientated in the safe operation of the vehicle, and constantly be aware of others when driving our roadways".

Operating a Golf Cart

- Drivers and passengers must remain seated while the vehicle is moving.
- Allow only experienced drivers 14 or older, to drive the carts.
- Never exceed the number of available seats for the number of passengers.

- All golf carts should have seat belts, and the operator and all passengers should be restrained.
- Only allow towing by those golf carts originally designed for towing.
- Slow down and honk the horn at all intersections.
- Reduce speed when approaching pedestrians, Always yield the right of way.
- Use the safety mirrors at each intersection to ensure pedestrian safety.
- Reduce speed when turning or passing through door ways.
- Do not park carts where they will block emergency equipment, pedestrian crosswalks, driveways, intersections, or the normal traffic flow.
- The maximum speed of a golf cart depends upon the terrain over which it is being driven, the weather conditions, and the total weight of the golf cart, passengers and any equipment being carried.
- A golf cart should be operated at a speed equivalent to a well-paced walk but no faster than 20 mph.
- Observe all Florida vehicle traffic laws such as lane travel, stop signs, legal passing of other vehicles, etc.
- Drive on streets or roadways whenever possible.
- Never drive on sidewalks..
- All passengers should keep hands, arms, legs and feet within the confines of the golf cart at all times when the the cart is in motion.
- When the golf cart is not in use, place the golf cart control lever in the "Forward" position, set the brake and remove the key.
- When the golf cart is not in use for a long period of time, such as overnight, secure it with a cable and lock.

TRAVEL CORNER

It is that time of year to be thinking about Alaska!!

We have one "cruise only" visiting 6 ports. It is a Royal Caribbean 7 night Alaska Sawyer Glacier Cruise leaving out of Seattle Washington, cruising Alaska Inside passage, Juneau, Skagway, Tracy Arm Fjord and Victoria British Columbia returning to Seattle WA.

Would you rather enjoy a 7 day land tour, before you embark onto a Holland America cruise for a 4 day sailing to: Skagway, Glacier Bay, Ketchikan, inside passage returning to Vancouver??

Both trips are filling up fast! Give us a call for the best rooms!!

Call: Andy 386-767-4851

Thank You So Much!

Words cannot express how much all of the wonderful people in Crane Lakes mean to me.

I am so blessed to live in such a caring and loving Community.

Thank You to all who sent over food, stopped by for short visits, all of the beautiful flowers, for all the rides needed to go to doctors & hospital, taking the time to water my front garden, and for all of the prayers sent my way, during and after my surgery.

Thank You also for all of the beautiful cards, and Mass cards. Prayer is so important at a time like this.

Once again Crane Lakes Residents prove that Crane Lakes is such a caring and loving Community!

Thank You for being there for me!

Love,

Andy Edwards

Crane Lakes Food & Wine Club

Est: 2014

Our July meeting embraced the foods and wines of Spain. We enjoyed some wonderful Riojas, a delightful red form Ribera del Duero region and from Catalonia as well as three different whites, one from Rueda, one from Cava and one from Navarra. One of the best things about the great wines for Spain are their affordability as Spain is one of the most underrated wine producers in the world.

Accompanying these wonderful wines were some of the best foods of the year, with an interesting white Gazpacho, some delicious Gambas al Ajillo and tempting Spanish Meatballs. In addition we enjoyed 2 wonderful varieties of Paella and a great Rice Pudding and a St. James Cake for dessert.

A most enjoyable evening was had by our usual summertime group of members,

For next month's meeting, which will be held on August 14th, it was decided that we would have a "Bring what you like best" evening, so bring your favorite food dish and your favorite wine for the evening.

Although August is a departure from our routine, our normal format will resume in September, so on September 11th we will feature wines that you will need to do some research on, the wines of Coombsville, California. This area nestled into the hillsides east of Napa city, with its mix of volcanic and riverbed soils and cooling influences from the nearby bay, is no secret to locals, who

long have known it as a spot for more nuanced, fresh-tasting Cabernet. But with its approval in December as Napa Valley's latest sub-appellation, Coombsville has a chance to make its own case. While other Napa areas have largely been defined by political boundaries - most recently the hard-won Calistoga appellation, approved in 2009 - the approval of Coombsville was an official affirmation of an area that had plenty of possibility but a remarkably low profile in high-visibility Napa. It was known to grape buyers seeking higher-toned Cabernet to blend with fruit from better-known areas like Rutherford or Oakville, although it hosts a few noted vineyards, like the R.W. Moore Zinfandel parcel used by Robert Biale, Turley Wine Cellars and others.

Now a handful of wineries - long-timers like Farella and Tulocay, and newcomers like Meteor and Faust - are highlighting Coombsville's unique signature. At a time when there are more questions about whether Napa's many subdivisions can be detected in the glass, expect to see a lot of talk about what makes Coombsville special.

We look forward to seeing everyone next month.

CRANE LAKES RESALE OFFICE

If you have been thinking about selling your home here in Crane Lakes we would hate to see you go, but this may be the best time to list a home over the last six years. Even though we are officially in the "dog days of summer" selling season, we still have quite a few potential buyers that have been carefully watching our website listings to see if anything new comes on the market that fits their needs. Last month we had three new listings that sold the same week that we listed them! Our onsite, Crane Lakes Resale Office, continues to be the #1 option for either buying or selling a home here in the community. A complete recap of our active listings can always be found on line at www.cranelakes.com under the "Buy a Home" tab.

Once again this year, over 90% of all of the homes sold in Crane Lakes through a sales agent were purchased through the excellent service & marketing efforts of our Crane Lakes Sales Office. Our clients love our staffs' personal and professional assistance during the process of purchasing one of our listings.

We always welcome you to stop by and pick up listing information that you may want to send out to your friends and family members out of our area. Please remember our referral program; if a Crane Lakes resident brings a new customer to our office that ends up buying one of our listings during the month of August, we will thank you with a $100 referral check after the closing takes place.

Contact Doug, Joan, Andy or Sharon at 386-304-0983 or email the office at Doug.cranelakes@gmail.com for an appointment to view any of our listings or for a free market evaluation to possibly list your home.

Our current office hours are:

9:00 - 4:00 on weekdays,

10:00 - 2:00 on Saturdays,

Sundays by appointment only.

Give blood

the ultimate renewable resource

Blood is essential for life: it carries oxygen and nutrients throughout the body, fights infections, and helps heal wounds. And everyone has this self-generating resource that can be generously given to others—when and where it is needed most.

- Accidents happen 24/7 that put our friends, family, and neighbors in danger
- Blood transfusions save the lives of cardiac patients during surgery
- Premature infants come into the world often needing blood to survive

You or someone you know will need blood

If not personally in need, at some point we will all know a friend, neighbor, family member, or co-worker who needs a blood transfusion. In fact, 1 out of 3 people will need blood in their lifetime. From natural disasters to unforeseen catastrophes, emergency hospital procedures to life-long battles with chronic diseases such as sickle cell, the demand for blood is constant. The supply is not. And since there is no substitute, only volunteer blood donors can roll up their sleeves and save lives.

Throughout this section, we hope you'll find all you need to learn more about this life-sustaining and life-saving resource. Learn what blood is, what it does, and why it matters. Find out how safe, convenient, and easy it is to donate. Gain insight into where your Donated Blood Goes and the many Lives that are forever changed by your generous gift.

Why donating matters

Your community is depending on you

1

Become a regular blood donor and you'll create a legacy of community service for generations to come. Beginning at age 16, if you made a donation approximately every three months until you reached 76, you would have donated 30 gallons of blood!

You make a big impact—in so little time

2 Donating blood takes about one hour, including a mini-physical and health interview. Actual donation time is typically only 10 minutes. And within about 10 days, your blood will have helped saved lives in your community.

If not you, who?

3

Right now, family members, neighbors, friends, co-workers, and others in your community are depending on you. Premature infants are born day and night, often requiring blood to survive. Cardiac surgery patients may need life-sustaining blood transfusions. The need is great. The rewards are many. And only you can volunteer to give the gift of life.
