ATTENTION RESIDENTS

To protect yourselves, please use licensed and insured contractors per the prospectus. It might be a good idea for you to know the background of anyone you invite onto your home site for any reason. You are responsible for the conduct of persons you invite into the community.

RENT IS DUE ON THE 1st of EACH MONTH

Remember, your rent is due on the 1st of each month. Late fees begin accruing on the 7th day of the month. To avoid late fees, please have your rent in the office by the 1st. If you have any questions, please refer to your prospectus. Automatic debit from your checking account is available, just call our office.

POOLS AND SPA

It's that time of the year when the pool gets busy and crowded. Please make sure you and your guest follows the rules. There is a list posted for you to review at the pool, but I am including a copy in the courier also. Remember, no guest is permitted to bring a guest. We need to be considerate of everyone. This is an amenity for our residents and their guest only. Thank you in advance.

DRAINAGE

The rainy season will soon begin. After moderate to heavy rain, it is normal for water to be standing around your home. If you notice water is still standing 2 or 3 days after a rain event, without additional precipitation, please call the office so we may check the irrigation system for leakage. We are not responsible for water under your home.

A BIG "THANK YOU" TO THE CRANE LAKES HOA and THEIR BUILDINGS AND GROUNDS COMMITTEE

News from YOUR Golf and Country Club!

Tips from the Tee : Red Hazard = 5 Options (6 sometimes)

We have all done it and we are going to do it again especially here at Crane Lakes. Here are your 5 options when you hit your ball into a Lateral (Red) water hazard.

1. Replay the Shot add 1 stroke
2. Drop a ball within 2 club lengths of the point the ball last crossed the MARGIN of the Hazard and add 1 Stroke
3. Keep the point the ball last crossed the margin of the hazard and the **Flagstick** in line and go back as far as you would like and drop the ball. Add 1 stoke
4. Proceed to the other side of the hazard and drop a ball equal distance from the flagstick within 2 club lengths of that margin of the hazard. Add 1 stroke
5. Get in the Hazard and Hit the ball. No Penalty just don't ground your club
6. If there is one available, proceed to the Drop Zone. Add 1 stroke

Please Note that when a player hits their ball left off the tee on #14 here at Crane Lakes. Simply dropping a ball on the forward tee in order to have a nice flat lie is **NOT** an option. The Forward tee is not within 2 club lengths of the margin of the hazard.

HAPPY HOUR

1-6 DAILY

FROM THE CRANE LAKES SALES OFFICE

Our sales office has sold and closed all 20 homes in Crane Lakes listed by any sales agents, so far in 2018. This is just slightly less than the 21 closings that we had a year ago in this same time frame. The average selling price has remained fairly steady. Our average YTD closing price is $95,900 which is up about 2.5% from 2017.

Our clients have been able to select from a larger variety of upgraded homes at very competitive selling prices due to an increase in homes listed for sale especially in phases 1 & 2. Remember, the more major upgrades that your home has recently had will assist us in selling your home quicker and more likely at a higher price too.

Please watch for an announcement in next month's Courier for our upcoming open house on 1908 Big Crane Loop. It's just 6 to 8 weeks out until our projected date of completion! We hope to be able to show you this fantastic 2018 Palm Harbor home real soon.

If you have any family or friends that are considering buying a Florida home in the near future, ask them to keep us in mind to become residents here in beautiful Crane Lakes! We keep our listings up to date on www.cranelakes.com under the "Buy a home" tab.

Our May referral program remains at $100 to residents who refers anyone to us that buys a home here during May that we pay after the closing occurs.

Thank you for your continued support of the onsite Crane Lakes Sales Office over the past fourteen years.

Our current office hours are:

Monday-Friday 9-4, Saturdays 10-2

Sunday showings are by appointment.

F.M.O. NEWS…

The April 9, 2018 meeting was at Plantation Oaks, Flagler Beach.

The speaker was John Salvucci, F.M.O. Director at Large. He spoke about the consolidated legal fund and how important it is to give the F.M.O. the financial leverages to negotiate with park owners. The objective is to raise at least $500,000 in 2 to 5 years. There are 1,700 eligible parks in the state.

All residents should fill out the Declaration of Domicile. If you are ever in need of any financial aid, such as Medicaid, before you can receive this aid, you will be forced to spend down your assets to one home, one vehicle and a certain amount of monetary assets. Without this form, a double wide home is considered 2 vehicles, and if you also own a car, you would be forced to sell 2 of the 3 vehicles in order to receive government aid. This will make your home not treated as a vehicle. The form must be taken to the Clerk of the Circuit Court of Volusia County. The form is on our website: cranelakeshomerowners.com on the Policy & Procedures tab.

The next meeting is Monday, May 7, 2018 at Lamplighter in Port Orange. All residents are invited to attend; you do not need to be an F.M.O. member. Registration is 9:30 with refreshments, the meeting starts at 10 a.m.

Applications to join the F.M.O. are in the hallway across from the gym. Just fill out and mail to the F.M.O. office to join. $25.00 for 1 year, $65.00 for 3 years.

Bill Hawkins – Park Representative

Thank You

We want to THANK everyone that showed up and contributed to our Blood Drive at the end of March.

As it has been in the past, ONE BLOOD was very happy with our turn-out.

Our plan is to have a Drive late October or Early November. We do this to try and catch you Snowbirds just getting down. We will try again late March or early April before you go back. Next time you see the BIG RED BUS notice come over and see just how simple it is. You in turn will gain something from the time you spend with us.

Remember: The cut off date for information for the Courier is the 15th.

Please email Vicky at: cranelakes@cfl.rr.com with your information for the Courier.

AARP BULLETIN-April 2018

NEW MEDICARE CARDS

New safer Medicare cards start getting mailed this month to 58 million beneficiaries. Each will have a unique randomly generated 11-character Medicare beneficiary identifier (MB) that looks something like this: 1EG$-TE5-Mk72. Cards will be randomly shipped over the next 12 months.

The new card will no longer display Social Security number which aided scammers in opening fraudulent financial account filing bogus tax refunds and otherwise stealing your money and identity.

Crooks still want card details, so guard your MBI just as you did with your previous Medicare number, your Social Security number and other personal identifiers.

Check every statement from Medicare for bogus services and billings. If you notice any discrepancies, call and report it right away.

Another scam: Crooks call you to claim that Medicare needs to verify your identity before a new card is issued, that you need to pay for a replacement card or that you owe a new fee to pay for updated coverage. Don't believe it. Your new Medicare card will automatically be mailed sometime in the next 12 months. There is no charge or action required and benefits will not change.

Final note: When you get your new card, be sure to destroy your old card. Don't just toss it in the trash. Shred it. You don't want your Social Security number sitting in plain sight in your trash.

DEATH NOTICE DOUBLE-CROSS

Publicly sharing personal information is risky enough in everyday life. It gets worse in death. It's never wise to let strangers know your name, address, birth date, birthplace, family members name or even hobbies, whether you post the info on social media, take surveys or fill out product registration forms. Obituaries can take the risk to a whole new level. When published in newspaper and websites, they can spoon-feed scammers the precise nuggets they need.

We all want to acknowledge a loved one's life completed, but be aware that the devils is in the details. The more personal facts you provide in an obit, the greater risk of scams—for the departed and survivors alike.

When it's time to write the notice, give the deceased's age but leave out the birth date, middle name, home address, birthplace and mother's maiden name. Don't even include the names of family survivors. The last advice will be hard to follow, but otherwise you put family members at risk of scams like these.

IDENTITY THEFT

Each day, thousands of dead people fall victim to identity theft-costing their survivor's pain and financial loss. Nearly 800,000 people a year are specifically targeted after death because no one is checking their credit reports. With details gleaned from an obit, crooks can often purchase or figure out the person's Social Security number to fraudulently open credit card accounts, apply for loans or even file tax returns to collect refunds. (The first five digits of a Social Security number are linked to a time and place of birth.)

So spare the details in an obit and quickly send request to each of the major credit reporting bureaus-Equifax, Experian and TransUnion-to flag the person's account as "deceased". This permanently stops new credit from being issued to the person's name. You'll need a certified copy of the death certificate, proof that you are the executor or spouse and other details about the deceased. You should also notify

the social Security Administration (800-772-1213), the IRS, banks, insurers, brokerages, credit card issuers and mortgage companies, in case scammers approach them. Also, close down accounts on social media sites such as Facebook and Twitter.

GRANDPARENTS SCAM

Scammers used names published in obits to pose as grandchildren of the deceased calling grieving survivors with sob stories about being mugged or arrested and needing money. Research shows that with any scam, your vulnerability is highest in the 3 year after a major stress. Obits are pure gold for scammers who can target grieving spouses immediately following the death and seem credible for citing names. In reviewing recent scam victims, all reports is having had a recent death in the family and all had published obituaries listing names of the grandchildren.

DECEPTIVE DEBT COLLECTION

Crooks often call spouses, children or siblings to make a claim that survivors must repay the deceased's debts. Not true unless you cosigned the obligation or are otherwise legally responsible –debts are paid from the estate-not from the pockets of relatives. Anyone saying otherwise is deceiving the grieving for a quick buck.

FICTITIOUS LIFE INSURANCE

In another name-dropper, self-described insurance agents and attorneys get in touch with survivors to claim the departed took out a huge (but often "secret") life insurance policy, but before benefits can be collected a final premium for taxes, handling fees, etc. must be paid. Legit insurance companies don't request upfront fees by wire transfer or prepaid debit card.

BURGLARY

If the deceased's address and the time of the memorial service are in the obit, burglars know when to strike the unoccupied home, as well as those of neighbors paying respects. Leave the home address out and have a friend or neighbor forgo the funeral to keep watch.

Welcoming Committee

For new residents who have not received your Welcome Package please contact Sharon Little at 252-202-1014. Sharon and her committee, Deb Hathaway and Ruth Herron, will be happy to set up a visit with you.

Recently I had the honor of being invited to the Dedication of the "Orlando Fisher House" in February. After the ceremony we had been permitted the walk through the facility and see the rooms the families will be occupying. This Orlando house is part of the Fisher House program which provides a "home away from home" for families of patients receiving medical care at a major military and VA medical centers, at no cost to the families.

This Orland Fisher House is the 76th house in operation and accommodates up to 16 families on any given day. The house features a common kitchen, laundry facilities, spacious dining room and a living room with a library. I have included pictures of the house and rooms for your viewing.

Through the generosity of our community purchasing signs, making donations, local businesses, and participants in our yearly "VET" golf tournament we have been able to donate over the past four years a total of $45,700.00.

I would like to take this opportunity to thank everyone that has helped in some way whether a donation or volunteering to make this tournament such a great success and we hope to continue it for many years to come and we hope that you will continue your support in the future years for such a great charity.

God bless you and thank you,
Joel Howell, Chairman, "VET" Golf Tournament

Joel Howell
