From the Management Office...

ATTENTION RESIDENTS

To protect yourselves, please use licensed and insured contractors per the prospectus. It might be a good idea for you to know the background of anyone you invite onto your home site for any reason. You are responsible for the conduct of persons you invite into the community.

RENT IS DUE ON THE 1st of EACH MONTH

Remember, your rent is due on the 1st of each month. Late fees begin accruing on the 7th day of the month. To avoid late fees, please have your rent in the office by the 1st. If you have any questions, please refer to your prospectus. Automatic debit from your checking account is available, just call our office.

INSPECTIONS IN JUNE

As a reminder it is that time again to do inspections. We are planning on performing the inspections the middle of June. To prevent receiving a letter, please make sure the weeding and trimming is completed, your house is wash if needed and your carport does not have stored items. Items stored in your carport should not be visible from the street. If you wish to store boats, trailers or other items on the carport, it must be screened by a material approved by Crane Lakes Management. We will be including painting of shutters and trim work, so please if needed have them painted. We appreciate your help with keeping Crane Lakes a wonderful community to live in. Your cooperation is greatly appreciated and we thank you in advance.

REGULAR GARBAGE AND YARD DEBRIS ON GRASS

Please do not put any garbage or yard trash on your grass on your lot. When yard trash is on the grass, the mowers are unable to mow or weed-eat that area and we will go back and do it at a later time. There are also sprinklers that could be in that area that it could cause a problem. It could also kill the grass if it is stays there too long. We ask that you put any garbage or yard debris on your driveway. We appreciate your help with this.

KEEP STORM DRAINS CLEAR OF DEBRIS

We need your assistance. Removing any leaves of debris from your neighborhood storm drains will keep the storm Water System work.
Items that should NOT be dumped into the storm water system:
Yard Waste, Garbage, refuse, or litter, Household wastewater, Oil and automotive fluids, Paints, varnishes, and solvents, Herbicides, pesticides, and fertilizers
Please make sure you or anyone you hire does not puts any debris
on top of any storm drains.

TREE REMOVAL

We have received many requests for tree removal. As a reminder, each homeowner will need to fill out a Design Specification Approval form and get approval from management for a tree removal. Your contractor will need to get a permit from the City of Port Orange and you will need to replace each tree that is removed. We have a list of trees that that you can get and it does not need to be place in the same place. It doesn't even have to be on your lot but one will need to be placed somewhere in the community. Please make sure these rules are followed.

FERTILIZING LAWNS

As a reminder, there will not be any fertilizing the grass from June 1st to September 30th per an ordinance from Volusia County. The ordinance prohibits the application of any fertilizer containing nitrogen or phosphorous during these months. If you have any questions, or concerns, please call the office.

- The maximum speed of a golf cart depends upon the terrain over which it is being driven, the weather conditions and the total weight of the golf cart, passengers and any equipment being carried.

Walking on Golf Course or Cart Path

Please be reminded that residents and guest are not allowed on the golf course or paths unless playing golf. This also includes being in a golf cart. It is for the safety of everyone. We are asking everyone to abide by this rule. Thank you in advance.

The management office has received many complaints about **speeding and not stopping at stop signs**. The speed limit and stop signs are posted for everyone's safety. Please be sure to stay within the speed limit posted and stop at all stop signs.

A stop sign is a traffic sign, usually erected at road junctions, that instructs drivers to stop and then to proceed only if the way ahead is clear.

Speed Limit Signs Help Maintain Safe Speeds on Roads. Signs are posted to warn drivers of speed restrictions.

Just a Friendly Reminder : Crane Lakes Cart Rules

We have returned to our PRE-COVID cart rules. Members are asked to pair up on carts and limit the number of carts per group to 2. If members are playing in a twosome, please use 1 cart. This greatly reduces the compaction on our course due to golf carts and is one simple step we can all do to help keep our course in top condition.

Summer News from the Sales Office

Do you know someone who would enjoy living in our beautiful community? If you like all of the numerous amenities that Crane Lakes has to offer and our resort like lifestyle then tell your other family and friends about us too. Please consider referring them to our office and we will work very hard to help match them up with one of our listings that meet their retirement home needs!

If they love Crane Lakes as much as you do and actually contract to purchase one of our listings during the months of June, July, August or September we will show our gratitude by giving you a check for $100 after their closing takes place. We appreciate all of the great referrals of your family members and friends that many of you have brought to us throughout the seventeen years that our sales office has been open.

While sales have become less frequent than this time in previous years due to "social distancing" and restricted travel, we continue to successfully match up buyers with our homes listed for sale through our office here in Crane Lakes.

Did You Say "We Are Open?"

Yes, management did and it looks like there are some happenings happening in the hood!! Let's take a look at the activities coming up for members to enjoy right here in the comfort of your own community. Things will still be quiet the month of June but mark your calendars for these great events starting in early July:

July 4th: Kacey Vogel is heading up a Fourth of July golf cart parade! We all enjoy our Crane Lakes Parades whether we are participating or watching. If you choose to participate please plan to be at the Roost parking lot on July 4th, at 4PM for a 4:30PM kickoff. This will be daytime parade so no need to worry about lights for your carts. Patriotic decorations please !

July 5th: Your HOA is sponsoring a Fifth of July dinner event with entertainment. This 5PM-8PM event will take place inside the ballroom. It will include a dinner of hamburgers, hot dogs and plenty of side dishes and desserts all for the bargain price of $5 per person ($10 non members). This is a great time to socialize with your friends and neighbors over some great refreshments and maybe kick up a dance or two on the dance floor.

September 25: It's Hawaii Luau time in Crane Lakes! This event promises to be super fun. Get out your grass skirts and leis and join in the festivities. More details to come on the location, times and happenings

November 6: The Craft Show will be back for insiders and outsiders. Michelle Steinke will be hosting this event and already has lots of artists and crafters lined up for the event which is always a great time to start your Holiday shopping early with some unique finds.

The Library will have its first ever "book sale" outside of the ballroom entrance and you just might pick up a good read or two to use as a stocking stuffer!! Our Craft Show Team has been kind enough to extend this invitation to Team Library to share in its special day.

November 12 : Musical presentation. More information next month.

December 4: The annual Crane Lakes Christmas Dance.

December 31: The New Year's Eve Dance Party will welcome in 2022, Get out your sparkliest duds and enjoy this special evening.

Your CLHOA Board, a Non-profit corporation dedicated to providing social activities for you and we encourage you to mark these events on your calendar and plan to attend!! Since the ballroom has been opened up for large gatherings, we will keep you posted on all of our upcoming events!

We hope you will attend the CLHOA meetings on the second Thursday at 7PM, in the ballroom. There is plenty of room for social distancing. Hope to see you on June 10th !

Joe, Tom, Sharon, Jenny, Kacey, Mike & Mary

F.M.O. NEWS…

The legislation session is over and the F.M.O. was able to get the tie down program extended, but the compromise was it is only a one year extension instead of the 10 year extension as in the past. Our lobbyist will be working with the legislators that are friendly to our position that will hopefully get the 10 year extension next year,

Don't forget the contest we are having in Crane Lakes… if you join or renew your membership to the F.M.O. you will be automatically entered in a quarterly drawing for a $25 gift card to a Port Orange restaurant of your choice.

Applications to join the F.M.O. are in the hallway across from the gym and on our website. Just fill out and mail, or drop in my mailbox at 2228 Crane Lakes Blvd. and I will mail it to the F.M.O. office for you. It is only $25.00 for 1 year and $65.00 for 3 years.

If you have any questions, please call me 386-214-0118.
