Golf Quote of the Month

“If you have a bad grip, you don’t want a good swing. With a bad grip you have to make unattractive adjustments in your swing to hit the ball squarely.”

- Harvey Penick

Tips from the Tee: The MOST Important Fundamental in Golf

The Grip is by far the most important fundamental in all of golf. How you hold the club determines how consistently you will be able to square the face of the club at impact and how efficient your wrist action will be throughout the swing. A bad grip will force you to make unnecessary compensations during your swing which lead to inconsistencies and sporadic shots. Pay attention to your fundamentals, especially your grip.

What's happening at The Crane Lakes Resale Office?

In spite of last years huge interest rate increases that significantly reduced the amount of potential buyers in the market, our office did close on 39 homes verses 40 sales one year ago. Lighter buyer traffic and slower site built home sales have definitely made the past 6+ months a buyers market in Crane Lakes too! Our clients still are loving what we have to offer here in Crane Lakes and we continue to maintain a list of about 50 clients that are interested in moving into Crane Lakes as soon as they are able too.

The average selling price of our resale closings in 2023 increased by \$18,000 to \$194,000 from the previous year's average resale price of \$176,000. The majority of our active buyers have been focused on seeing listings in the \$125,000 to \$200,000 range. However, we have sold some very nice large garage homes in the \$200-\$300k range. Remember, the better the condition a listing is in, the faster it will sell and at a higher selling price per square foot!

I'm sure that by now you have noticed some significant changes to the progress on the new home construction. Finally, we have had enough cement, building materials and labor available to move things along towards completion on the next three homes being built. We have also placed a final order with Palm Harbor Homes to build the final three homes and have them available to set up on the last lots as soon as lots 813, 814 & 815 are finished. These are beautiful new Black Diamonds on some exceptional lots. If you need more information on the homes ordered for lots 816, 817 & 818 please stop by the sales office and we will be glad to talk to you about them.

Do you know someone who would enjoy the amenities and the lifestyle that Crane Lakes has to offer its residents? If so, why not tell them about how much you enjoy living here. Next, send them in to our office to see the fine homes that we have to sell. If they seem to love it here as much as you do, and they sign a contract to buy one of our listings during the month of February, our office will thank you with a check for \$100 after the closing takes place.

Please call our office to set up an appointment to either view any of our listings or to set up a free home market evaluation to use if you are considering selling your home.

F.M.O. NEWS...

The winner of the drawing for the 4th Quarter contest to renew their F.M.O. membership was Nick Norado. He will receive a \$25 gift card to the restaurant of his choice in Port Orange.

The Florida legislation session starts this week. House Bill 613 has been filed with the support of the F.M.O. The bill addresses several issues in the event the homeowner must have a live-in health care aide or assistant but has no rights of tenancy in the park. The bill also increases payout to owners when the park closes due to a change in land use. The bill also improves the opportunity to mediate a dispute between homeowners and park owners. No Senate Bill to HB 613 yet. I will keep everyone advised of the progress.

We desperately need everyone to renew their memberships and encourage their friends and neighbors to join the F.M.O. Membership dues are the only source of income to pay our lobbyist in Tallahassee.

Applications to join the F.M.O. are in the hallway across from the gym and on our website. Just fill out and mail or drop in my mailbox at 2228 Crane Lakes Blvd. and I will mail it to the F.M.O. office for you. It is only \$30.00 for 1 year and \$75.00 for 3 years. If you have any questions, please do not hesitate to call me at 386-214-0118.

Bill Hawkins – Park Representative

STROKE IS SUDDEN TEST FOR PEACE OF MIND!

According to the National Stroke Association, stroke is the third leading cause of death in America and a leading cause of adult disability. Stroke has no symptoms. While it is possible to reduce risk of stroke by modifying lifestyle, the best way to prevent stroke is to **get screened**. In less than one hour you can avoid stroke and other life-threatening diseases by participating in accurate, affordable ultrasound screenings. Schedule with a company your peers know and trust!

Cheers with Port

Grab a bottle of Port wine &
reduce your dental expenses.

Were you aware that Port Wine has the ability
to draw out toxins from the gums?

This antibacterial mouthwash only requires **3-minutes** to
penetrate deep into the gum tissue. Upon spitting the residue
into the toilet for the first time, you will witness the chunks of
gunk that have been extracted. To prevent these chunks from
adhering to the sides of your toilet bowl, flush while spitting. We
store our Port wine on the bathroom counter along with a note
reminding us to, "**Spit in the Toilet.**"

In case of any teeth staining, simply brushing with baking soda
will resolve the issue. If you prefer less reliance on baking soda
for brushing, there is a lighter shade of Port available. However,
in my humble opinion, a traditional Port wine yields the best
results.

For a more budget-friendly alternative, you can simply combine the *cheapest red wine*
with *Peroxide!* Use equal parts of each for **ONLY ONE MINUTE!**

John Hill, Jr. 386-785-6198

"I have been working with Tom for several years now along with John and Hayden. They took over Allen Ins who I had used as my insurance agent for my portfolio of rental properties for 18 years. The fact that we stayed with them when things changed and we continue to receive good service speaks for itself."

Susan Goldthorp

Licensed Real Estate Broker and Landlord

"We could not be happier to recommend Tom Bieri and Allen Insurance as the only insurance agency you will ever need. Tom has been my personal agent for over 10 years. Not only has he saved us thousands of \$\$ on premiums, but no other agent has been as thorough, honest and timely in his correspondence with us."

Tom & Missy Franke

"Tom makes the process of insurance easy and affordable. He is a straight shooter that is knowledgeable and honest. He truly cares about his clients and their individual needs."
