From the Management Office...

ATTENTION RESIDENTS

To protect yourselves, please use licensed and insured contractors per the prospectus. It might be a good idea for you to know the background of anyone you invite onto your home site for any reason. You are responsible for the conduct of persons you invite into the community.

SPRINKLERS

As a reminder when doing work in flowerbeds or in the yard such as: placing rock, placing mulch, removing plants, placing or removing a tree, adding a deck or any other item that affects sprinklers to call the office and request a work order for the sprinklers to be flagged approximately a week prior to any work done. This will prevent broken sprinklers/pipe or covering up sprinklers. You will also need to fill out a Design Specification Approval form for pre-approval.

PETS

Please be reminded that pets must be on a leash at all times (**including cats**) and are not allowed to be tied up outside or running loose at any time. You may walk them in the streets or on the sidewalk. All pet droppings must be picked up and discarded sanitarilly at all times. You may not walk them on the golf course or in your neighbor's yard. Common Areas are acceptable except for the pool area. Management has received numerous complaints. Please follow the rules for all your pets.

SNOWBIRDS

If you are getting ready to leave for the summer, please be sure to inform the office when you will be leaving and when you are planning to return. This helps us to locate you if we need to contact you. Thank you in advance.

TREE REMOVAL

We have received many requests for tree removal. As a reminder, each homeowner will need to fill out a Design Specification Approval form and get approval from us for the tree removal. You or your contractor will need to get a permit from the City of Port Orange and you will need to replace each tree that is removed. We have a list of trees that you can get. It does not need to be placed in the same place nor does it need to be on your lot, but one will need to be donated to us and we will place it in the community. Please make sure these rules are followed. Thank You!!

DESIGN SPECIFICATION APPROVAL FORM

AS A REMINDER:

Anything you do on the outside of your home, you need to fill out a **Design Specification Approval** form with all measurements, colors and diagram of what you would like to do. This includes tree removal, tree placement, adding concrete or additions, painting shutters, adding or changing windows, adding screen or anything else you want to do on the **outside of your home**. Once you fill out the form, we will either approve it or not and let you know. If a permit is required, you will need to get the permit from the City of Port Orange before you can start any of the work. You can pick up the form in the office or if you have any questions, please give us a call. Thank you.

Golf Quote of the Month

"This is where God hangs out"

Mac O'Grady referring to Augusta National Golf Club

Tips from the Tee: Greenside Bunkers Keys to REMEMBER!

1. Have the club enter the sand the same distance behind the ball, about 1"-1.5" for every greenside bunker shot.
2. Take the same amount of sand every time.
3. If you need the ball to rollout for longer shots use another club than your Sand Wedge.
4. Swing the club with confidence and get the club to slide under the ball.

Just a Friendly Reminder :

Don't forget to make your tee times. The Golf Staff does NOT automatically book times for any groups other than the MGA and WGA. Obviously, you have noticed how busy the golf course is this time of year. We are setting records for rounds each year as the surrounding communities grow and no new golf courses are being built.

The Crane Lakes Resale Office

Our office continues to have tremendous success in selling the vast majority of our new listings quickly and in many cases at or close to the sellers asking pricing! A recent example of this is a home that listed with us on March 5th. The owners asked us to try to find him a buyer that could meet a 6 to 8 week closing time frame. Our office made several phone calls to our potential buyers that afternoon & the next morning. We had 3 showings that afternoon including one that made a full price offer. This home was sold in one business day within the closing time frame that the seller was looking for. We continue to maintain a list of several dozen interested clients looking to purchase a home here in Crane Lakes. You can count on us for your best results to sell your home for terms that meet your needs. We continue to need additional listings to show and possibly sell to these potential new Crane Lakes residents. This is peak season and we need more listings!

All Crane Lakes residents should know that your community sales office is 100% behind you when it comes time to sell your current home! Our on-site sales office and knowledgeable staff with over 1,000 sales and our current list of potential buyers proves that we have been and always will be here for you to trust and count on when you need us!

PS If you would like any information regarding the availability or timing on the four remaining new homes, please stop by the sales office and we'll be glad to talk to you about them.

Please call us at: 386-304-0983

F.M.O. NEWS...

On March 1st House and Senate bill CS/CS/CS/HB 613 passed with no opposing votes. The bill will now go to the Governor to sign. This bill will address several issues in the event the homeowner must have a live-in healthcare aide or assistant.

We desperately need everyone to renew their memberships and encourage their friends and neighbors to join the F.M.O. Membership dues are the only source of income to pay our lobbyist in Tallahassee.

Applications to join the F.M.O. are in the hallway across from the gym and on our website. Just fill out and mail or drop in my mailbox at 2228 Crane Lakes Blvd. and I will mail it to the F.M.O. office for you. It is only \$30.00 for 1 year and \$75.00 for 3 years. If you have any questions, please do not hesitate to call me at 386-214-0118.

The Crane Lakes Trash and Treasure Committee

The heavy rains held off and many people left Crane Lakes on March 2 happy with their “treasures”, while residents were happy to be rid of their “trash”! It was one of the best years for attendance with lots of sales. Donations to the HOA table and the Bake Sale were plentiful. Halifax Humane Society was grateful for the remaining “treasures” donated.

We would like to thank management, the vendors, our special friends, Stan, Judy, John and Kathie, who managed the HOA table, all volunteer workers, parking attendants, Sandy and her Bake Sale Committee, along with the Crane Lake Bakers, for making the Crane Lakes Trash and Treasure a successful event.

Linda Rocco, Bonnie Barich, & Margie Greco

Cheers with Port

Grab a bottle of Port wine & reduce your dental expenses.

Were you aware that Port Wine has the ability to draw out toxins from the gums?

This antibacterial mouthwash only requires **3-minutes** to penetrate deep into the gum tissue. Upon spitting the residue into the toilet for the first time, you will witness the chunks of gunk that have been extracted. To prevent these chunks from adhering to the sides of your toilet bowl, flush while spitting. We store our Port wine on the bathroom counter along with a note reminding us to, "**Spit in the Toilet.**"

In case of any teeth staining, simply brushing with baking soda will resolve the issue. If you prefer less reliance on baking soda for brushing, there is a lighter shade of Port available. However, in my humble opinion, a traditional Port wine yields the best results.

"I have been working with Tom for several years now along with John and Hayden. They took over Allen Ins who I had used as my insurance agent for my portfolio of rental properties for 18 years. The fact that we stayed with them when things changed and we continue to receive good service speaks for itself."

Susan Goldthorp

Licensed Real Estate Broker and Landlord

"We could not be happier to recommend Tom Bieri and Allen Insurance as the only insurance agency you will ever need. Tom has been my personal agent for over 10 years. Not only has he saved us thousands of \$\$ on premiums, but no other agent has been as thorough, honest and timely in his correspondence with us."

Tom & Missy Franke

"Tom makes the process of insurance easy and affordable. He is a straight shooter that is knowledgeable and honest. He truly cares about his clients and their individual needs."
