# From The Management Office...

## **2025 DIRECTORIES ARE IN!**

Please stop by the office to pick up your 2025 directory during office hours. Please only ONE per household until everyone gets a copy. Thank you

## **ATTENTION RESIDENTS**

To protect yourselves, please use licensed and insured contractors per the prospectus. It might be a good idea for you to know the background of anyone you invite onto your home site for any reason. You are responsible for the conduct of persons you invite into the community.

## **RENT IS DUE ON THE 1st of EACH MONTH**

Remember, your rent is due on the 1st of each month. Late fees begin accruing after the 7th day of the month. To avoid late fees, please have your rent in the office by the 1st. If you have any questions, please refer to your prospectus. **Automatic debit from your checking account is available, just call our office.**

## **GOLF CARTS!**

We are requesting that you do not let anyone drive your golf cart in the community under the age of 14. There have been complaints that underage children are driving golf carts in the community and almost hitting a person or persons. This is dangerous for the child and the community. We want to try and keep everyone safe. (see safety guidelines for golf cart operations)

## **GARBAGE, RECYCLE AND YARD WASTE**

Management is getting many complaints about garbage being put by the street too early. Please remember that Garbage, Recycle, and Yard Waste may be placed at the side of your driveway **no earlier than the night before pick-up**. If you have contracted someone to trim and weed your lot, please make them aware of our rules and regulations. Please do not put any debris on the storm drainage as we do not want anything to go into the water system that should not be there. It will also prevent the water to drain when needed.

## **PARKING IN NEIGHBOR'S DRIVEWAYS**

The management office has received complaints about parking in snowbirds or other residents' driveways while they are not here. Please **DO NOT** Park in anyone's driveway unless you have permission from the homeowner even if they are away. They can have your vehicle towed so please call the homeowner first. If you have any questions, please call the management office.

## **GARBAGE CANS REQUIRED**

When putting your garbage out for pick-up, it is now a requirement to have it in a garbage can. The State came into Crane Lakes and did an inspection and noticed that there were some homes with garbage out for pick-up only in a bag. They informed me that your garbage is required to be in a garbage can for pick-up. The City does not provide them because we are a private community. Please have your garbage in a can which will also help prevent animals from tearing your bags and making a mess. We appreciate your cooperation.

# GARBAGE CAN REQUIREMENT

**The State of Florida conducted an inspection of Crane Lakes recently and cited our community for violation of section 64E-15.007 of the Florida Administrative Code. This section reads as follows:**

***Chapter 64E-15, Florida Administrative Code  
Mobile Home, Lodging, and Recreational Vehicle Parks and Recreational Camps  
Section 64-15.007 Garbage and Refuse Disposal***

- (1) Garbage and refuse shall be stored, collected and disposed of in a manner that does not create nuisances, odors, rodent harborage, insect breeding, accident hazards, or air pollution.*
- (2) All garbage shall be stored in containers that are impervious to water and rodent vectors and have tight-fitting lids. Containers shall be provided in number to prevent garbage overflow. Portable bulk units for central storage shall be covered when not in use and cleaned on a scheduled basis.*
- (3) All garbage shall be collected twice weekly or in accordance with the frequency of the collection jurisdiction and transported in covered vehicles or covered containers. Burning of refuse in the park or camp is prohibited, except in incinerators for which the design and location has been approved by the Department of Environmental Protection. Refuse shall be transported and disposed of in accordance with provisions of Chapter 62-701, F.A.C., Solid Waste Management Facilities.*

***Rulemaking Authority 381.011, 513.05 FS. Law Implemented 381.006(4), (14), 386.041, 513.012 FS. History—New 5-20-96, Formerly 10D-26.160, Amended 12-30-09.***

The State of Florida will conduct a follow-up inspection and can impose penalties if our community is not in compliance with the code at that time. These penalties are likely to be passed on to the non-compliant residents. Unfortunately, we have been told that the City of Port Orange does not provide garbage cans.

Please place your garbage in a can to comply with the code and to prevent animals from tearing your bags and making a mess.

**We appreciate your cooperation.**

# Golf RULE of the Month

## Rule 12: Bunkers

### 12.2a Removing Loose Impediments and Movable Obstructions

Before playing a ball in a bunker, a player may remove loose impediments and movable obstructions. This includes any reasonable touching or movement of the sand in the bunker that happens while doing so.

## Tips from the Tee

Use the entire teeing area to your advantage. The teeing area is not just a straight line in between the two tee markers. A player may move back up to 2 club lengths behind the markers. This comes in handy on par threes when the distance to the hole leaves you stuck in between clubs. Say for example the distance on a given par 3 is 105 yards. My full Sand Wedge carries 100 yards and my full Gap Wedge carries 115. I would use the entire teeing ground to my advantage and go back the two driver club lengths which is basically 3 yards. Now I have 108 yards. That's much closer to my stock Gap Wedge leaving me a full shot.

### *Just a Friendly Reminder :*

It is lightning season! Do not take chances! We do not have a lightning detection system on property. If you hear thunder, lightning is in the area. You should seek appropriate shelter and avoid open areas. Weatherbug has an app available that is great for staying up to date with local weather information. You can set warnings for your location and be notified when a dangerous lightning situation is in the area.

## DOG PARK AREA

At this time, Crane Lakes provide a dog waste dispenser and bags for the convenience of our residents to use only while at the park. Unfortunately, some people are abusing this and taking several bags at a time for home use. Many days between 100 - 200 bags are taking in a day. Please we ask that you only use the bags when needed while at the park.

- Please Don't Take Extra Bags
- Please Don't Leave Your Bags

Residents are also throwing their bags with dog waste on the ground in common flower beds and other areas. Please take your used bags with you and discard them at home. If this continues, the dispenser will be removed and the bags will no longer be provided.

***Thank you for your cooperation!!!!***

The F.M.O. desperately needs new members and all current members to renew. Dues are the only way for the F.M.O. to pay its bills and pay for our lobbyist. Please join or renew your membership.

Applications to join the F.M.O. are in the hallway across from the gym and on our website. You can renew your membership online or just fill out and either mail the application to the F.M.O. office or

drop in my mailbox at 2228 Crane Lakes Blvd. and I will mail it to the F.M.O. office for you. The cost is \$40 for annual membership and \$120 for a 3 year membership. If you have any questions, please do not hesitate to call me at 386-214-0118.

## Outreach – Important News

### Hurricane Assistance Plan

The Community Outreach committee and the HOA have teamed up to provide assistance in the event of a hurricane. We are gathering a supply of food (such as protein bars and cracker snacks) and water to distribute to those residents who are affected by power outages, may be trapped in their homes by flood waters, or otherwise need basic living assistance following a hurricane. We have identified a group of people with large vehicles who will be able to deliver the supplies to the affected homes. In the event of a lengthy power outage, we also plan to provide hot dogs to those in need, provided the clubhouse kitchen is open and has power.

Please contact the Community Outreach committee leaders, Rick and Bobbi Eskey, at (386) 317-5472 or (708) 373-3358 if you have any questions.

**Thank You and Stay Safe.**

*We Need You!!!*

## **Help us Plan for Some Crane Lakes Fun!!**

We all like a good party! We enjoy the music, the dancing, comradery, and friendships. The HOA would like to provide opportunities for a variety of activities each year. We know you enjoy attending. To assist in this goal, we need some help. We need activity Chairpeople. Currently we have set dates for several parties/dances/activities.

We need someone to step forward to chair our Halloween and Christmas Celebrations. The Halloween Activity is set for October 25th and the Christmas Dance is on December 6th. We will provide many helpers and lots of guidance, but we need someone to be in charge. Please consider volunteering to chair one of the activities.

**Contact Angie Hucknall (585-752-9829) or Jeanne Cox (203-605-1459)**

We also need fresh exciting ideas! If you a suggestion for a large or small group activity, please let us know. **We want to hear from you.**

"I have been working with Tom for several years now along with John and Hayden. They took over Allen Ins who I had used as my insurance agent for my portfolio of rental properties for 18 years. The fact that we stayed with them when things changed and we continue to receive good service speaks for itself."

Susan Goldthorp

Licensed Real Estate Broker and Landlord

"We could not be happier to recommend Tom Bieri and Allen Insurance as the only insurance agency you will ever need. Tom has been my personal agent for over 10 years. Not only has he saved us thousands of \$\$ on premiums, but no other agent has been as thorough, honest and timely in his correspondence with us."

Tom & Missy Franke

"Tom makes the process of insurance easy and affordable. He is a straight shooter that is knowledgeable and honest. He truly cares about his clients and their individual needs."
