2. Call the gatehouse for all family and friends that come after 9 pm or you will be called no matter what time it is. If there is no answer, they will be turned away and not allowed to come into the community.
3. If you notice anything suspicious (people/vehicles/activity) call the Port Orange Police Department at 911 or 386-756-7400-non-emergency number. Our gate employees are not security guards and are only considered gate attendants.

ROCK, MULCH AND CURBING

If you are placing rock, mulch in your flower beds or having curbing placed, please be sure to call the office to put in a work order to have your sprinklers flagged before the job is scheduled to be done. It is the resident's responsibility to make sure that a work order is issued. If the sprinklers are not flagged, we will stop the work from being completed. If you have any questions, please call the office.

Crane Lakes Management

Thank You!!!

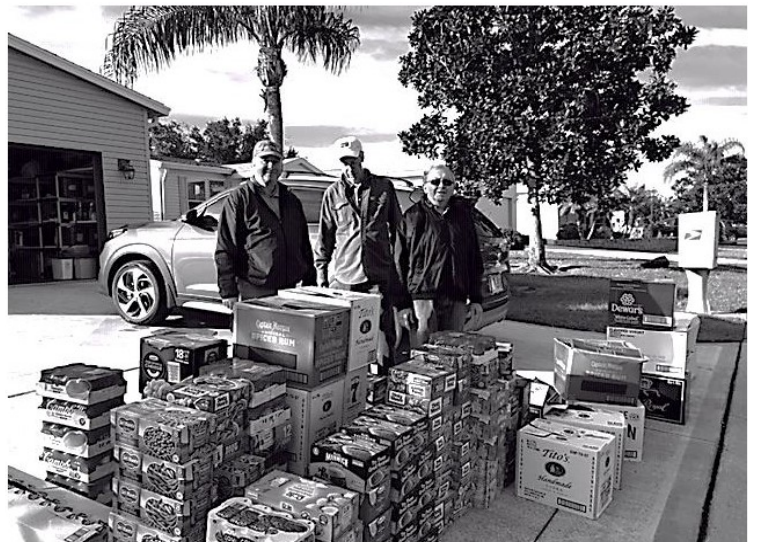

The residents of the Crane Lakes community once again showed their generosity by supporting the 2018 "Santa to The Rescue" program for the Port Orange Police! Each year the Port Orange Police collects food to feed the residents of Port Orange that desperately need help!

Also, thank you to our H.O.A. for their very generous donation to this worthy cause!

A special thank you to Rich Pender and Tom Silk for helping us and the VIP's load the trailer with the many boxes stored at our home and in the clubhouse.

We thank you for your continued support and we have already volunteered to chair this worthy cause next year!

Charter Communications. Programming may vary. Channels, Tiers and Packaging subject to change. Services not available in all areas. Charter issued digital receiver or CableCARD required to view programming channels, except for Basic Service viewable with customer owned TV equipped with digital QAM Tuner subject to future service changes when a market transitions to All Digital. Charter issued digital receiver required to view PPV and On Demand programming (where available). HD capable equipment required to view HD programming (where available). All programming may not be available to CableCARD or Digital Terminal Adapter customers. All service levels may contain channels with some R-rated programming, which can be blocked using the Parental Control feature on your on-screen program guide.

In a switched digital market, due to system technology enhancements access to certain digital channels will require a digital receiver, as HDTVs & digital QAM tuners equipped with CableCARDs or TVs equipped with Digital Terminal Adapter's cannot access certain digital channels requiring two-way communication (e.g., PPV & On Demand programming). CableCARD customers with TiVo equipment will also need a Tuning Adapter for access to such digital channels.

SAP - Second Audio Programming (Spanish Language when available) is offered on analog Basic Service & Expanded Service channels. Check your interactive program guide for further details. Channel numbers listed are for either analog cable-ready TV sets or Charter digital receivers. Customers using a QAM tuner TV or other personal QAM tuner device, not connected to a digital receiver, must activate the Auto Program feature, as described in the TV/device's Owner's Manual, to receive some digital services.

Any contractual relationship between the parties will be the result of formal negotiations and will only become effective upon execution of the contract by representatives of the parties authorized to enter into such agreements.

Thank You

The Ballroom was decorated for the Holidays and looks absolutely spectacular.

Thank You: Michele Pike, Steven Pike, Joy Wilson, John Wilson, MJ Meister, Linda Jakel, Michele Steinke, Iris Obie, Elaine Maita, Patsy Frame, Bob Stuart, Barbara Crow, and Renee Crow.

You all did an outstanding job and its people like you that make this community such a great place to live.

Thank You!

We lucked out! The heavy rain stopped while we lined up for the 10th annual golf cart parade and waited until we were back at Crane's Roost before the deluge started!

So many talented residents of Crane Lakes gathered for the 2018 Parade!

A huge thank you to Jill & Matt for donating gift cards to be raffled off to those that participated in the parade and joined the festivities at the Roost!! We would also like to thank the entire staff at Crane's Roost for the great job they did serving the huge crowd quickly! The limited menu they chose was great.

A MESSAGE FROM YOUR HOA BOARD OF DIRECTORS

Happy New Year to all! It is a time of reflecting, toasting and making resolutions!

The new Board of Directors was elected and the Board voted on the different positions, and they are; Diane Grzelak, President; Joe Peterson, Vice President; Sharon Sommer, Treasurer; Margaret Smith, Secretary and our Directors are Jean Hoon, Linda Nisbet and newly appointed, Rick Eskey. Thank you Angie Hucknall for Induction of the new Directors. We all look forward to working together and helping our community.

At our January meeting Barb & Bill Hawkins will have 3 drawings for a \$50 gift card for the restaurant of their choice in Port Orange. Also the Board will having 3 drawings for a \$50 gift cards for the restaurant of their choice in Port Orange, for any members who have joined the HOA prior to December 31st, this does not include complementary memberships.

We would like to thank Jean & Tom Hoon and Barb & Bill Hawkins for all their hard work on Toys for Kids and the Food Drive. Both of these committees were running low on donations, but the Crane Lakes Residents came through and helped to bring these committees up to where they needed to be. The hall looked beautiful thanks to the committee chairpersons, Michele & Sandy Pike and all of their little elves. The new Christmas Tree filled the spot, and was much easier to put up!! The Golf Cart Parade went on with 42 decorated carts, and they looked like they belonged in the Macy's Day Parade! They went out and made it through the inclement weather, right up till the end! Congratulations to Bill & Barb!!

Our Christmas Dance chaired by Iris Eschrich, 196 people attended and danced, danced, danced! Our New Year's Eve Party chaired by Linda Nisbet will be held Dec. 31st and I am sure everyone will have a great time!

Our Board of Directors Meeting will be held on Monday, January 7th at 3:00 p.m. in the ballroom, anyone can attend this meeting. Our Informational Meeting will be held on Thursday, January 10th at 7:00 PM in the ballroom. The following drawings will be held:

The Crane Lakes Resale Office

Selling homes here in Crane Lakes is what we do far better than anyone else! Our onsite extra effort tends to pay off in the best results that you can expect under any type of selling conditions.

For the fourteenth consecutive year our office has continued to outperform the sales of all outside realtors combined by a huge margin! We had 76 closing in 2018, while all other outside realtors had two sales all year!

Many of our original owners that purchased in Crane Lakes from 1998 thru 2001 are now listing their homes for sale. Homes continue to sell well in totally upgraded condition and remain high in demand and tend to sell quicker & closer to their asking price.

Please call or stop by to discuss the potential purchase of one of our listings. We would be very pleased to work with you through the entire process of buying or selling a home here in Crane Lakes.

Remember, any resident that brings us a client that contracts the purchase of one of our listings in January receives a \$100 check after the closing takes place.

Please check out our very nice variety of Crane Lakes listings on www.cranelakes.com. For information or questions email us at doug.cranelakes@gmail.com. Office hours remain: Weekdays from 9 to 4, Saturdays 10 to 2 & Sundays by appointment.

Selling homes in this community is our only job!
