From the Management Office...

ATTENTION RESIDENTS

To protect yourselves, please use licensed and insured contractors per the prospectus. It might be a good idea for you to know the background of anyone you invite onto your home site for any reason. You are responsible for the conduct of persons you invite into the community.

RENT IS DUE ON THE 1st of EACH MONTH

Remember, your rent is due on the 1st of each month. Late fees begin accruing on the 7th day of the month. To avoid late fees, please have your rent in the office by the 1st. If you have any questions, please refer to your prospectus. Automatic debit from your checking account is available, just call our office.

INSPECTIONS

If you received an inspection letter concerning the maintenance on the outside of your home, we are asking that you take care of the situation as soon as possible. This will prevent you from receiving a second letter or we will do it for you and charge you a \$250.00 fee for each item. This would be for weeding, trimming or house wash. Please make sure your carport does not have stored items. Items stored in your carport should not be visible from the street. If you wish to store boats, trailers or other items on the carport, it must be screened by a material approved by Crane Lakes Management. This should also include painting of shutters and trim work, so please if needed have them painted. We appreciate your help with keeping Crane Lakes a wonderful community to live in. Your cooperation is greatly appreciated and we thank you in advance.

POOLS AND SPA

It is that time of the year when the pool gets busy and crowded. Please make sure you and your guest follow the rules. There is a list posted for you to review at the pool, but I am including a copy in the courier also. Remember, no guest is permitted to bring a guest. We need to be considerate of everyone. This is an amenity for our residents and their guest only. Thank you in advance.

DRAINAGE

The rainy season will soon begin. After moderate to heavy rain, it is normal for water to be standing around your home. If you notice water is still standing 2 or 3 days after a rain event, without additional precipitation, please call the office so we may check the irrigation system for leakage. We are not responsible for water under your home.

SNOWBIRDS

If you are getting ready to leave for the summer, please be sure to inform the office when you will be leaving and when you are planning to return. This helps us to locate you if we need to contact you. Thank you in advance.

GOLF CARTS

We are requesting that you do not let anyone drive your golf cart in the community under the age of 14. There have been complaints that underage children are driving golf carts in the community and almost hitting a person or persons. This is dangerous for the child and the community. We want to try and keep everyone safe. (see safety guidelines for golf cart operations)

Bicycle & Walking Safety

As the summer months approach, we will see more residents riding bicycles and walking in the community. I have a couple of safety sheets for you to review and follow to keep everyone safe in the community. Please be sure to read them and follow all the suggestions to try and prevent any accidents.

Golf Quote of the Month

“A recent study found that the average golfer walks about 900 miles per year. Another study found that golfers drink on average 22 gallons of alcohol a year, which means, on average, golfers get about 41 miles to the gallon. Kind of makes you feel like a hybrid!”

-Author unknown

Tips from the Tee: Putting

If your watching professional golf these days you will see there are a lot f different ways to putt. Most notably there are conventional putters (Tiger Woods), left hand low putters (Xander Schaefulle) , Long putters (Akshay Batia), pencil grip putters (Colin Morikowa). They key thing they all have in common is they all roll the ball consistently end over end. The ball isn't spinning off the club face. To be consistent putter the ball MUST do the same thing every time and its best to roll it end over end. Try lining up a range ball with the line straight up and down. Now make some putts and try to get the line to roll end over end without wobbling.

Just a Friendly Reminder :

Don't forget to make your tee times and double check your tee times. The Golf Staff does **NOT** automatically book times for any groups other than the MGA and WGA. Obviously, you have noticed how busy the golf course is. We are setting records for rounds each year as the surrounding communities grow and no new golf courses are being built. You can also check and book your groups times on our website (www.CraneLakesGolf.com)

F.M.O. NEWS...

As of today, the Governor has not signed CS/HB 613, it is still on his desk. This bill will address several issues in the event the homeowner must have a live-in healthcare aide or assistant. I will keep checking and let you know what happens with this bill.

With the Legislative session over nothing will go out until committees start to meet later in 2024.

We desperately need everyone to renew their memberships and encourage their friends and neighbors to join the F.M.O. Membership dues are the only source of income to pay our lobbyist in Tallahassee.

Applications to join the F.M.O. are in the hallway across from the gym and on our website. Just fill out and mail or drop in my mailbox at 2228 Crane Lakes Blvd. and I will mail it to the F.M.O. office for you. It is only \$30.00 for 1 year and \$75.00 for 3 years. If you have any questions, please do not hesitate to call me at 386-214-0118.

Bill Hawkins – Park Representative

THE LITTLE TURTLE

Vachel Lindsay

There was a little turtle.

He lived in a box.

He swam in a puddle.

He climbed on the rocks.

He snapped at a minnow.

He snapped at a flea.

He snapped at a minnow.

And he snapped at me.

He caught the mosquito.

He caught the flea.

He caught the minnow.

But he didn't catch me.

**POEMS: VOICES FROM

DO YOU REMEMBER THESE?

FOG by *Carl Sandburg*

The fog comes

on little cat feet.

It sits looking

over harbor and city

on silent haunches

and then moves on.

THE SWING by *Robert Louis Stevenson*

How do you like to go up in a swing,

Up in the air so blue?

“Oh, I do think it the pleasantest thing

Ever a child can do!”

“Up in the air and over the wall,

Till I can see so wide,

Rivers and trees and cattle and all

Over the countryside—

“Till I look down on the garden green

Down on the roof so brown—

Up in the air I go flying again,

Up in the air and down!”

CRAFT FAIR THANK YOU!

A huge thank you to all who attended the 2nd annual Crane Lakes Spring Craft Fair in March. We made a few changes this year and the overall response was phenomenal! The vendors seemed extremely pleased with the crowd, and I received *many* emails and texts saying this is the BEST show because of the organization, friendliness and how much people go above and beyond to help.

I can't say enough good things about the team of volunteers I have. They are the reason this show is such a success.

We raised \$142 for the Port Orange Victims Advocate Group due to the generosity of the vendors at the Vendor Donation table.

Of the 40 vendors who attended this show, 19 have already registered for next Spring. The Fall show has 27 vendors signed up. There are several applications still out there, and they have until the end of June to return them, then I open the spots up to the waiting list. Word must be out about how awesome this show is, because right now, there are over 45 names on the waitlist, and the show isn't until November 2! That list will grow to about 75 names before the time comes, and people will call until the day before asking if I have tables left.

I am looking to add a person to my team. Bobbi Eskey is my amazing co-chair, and this year, Kris Wells stepped in to do a fantastic job as Volunteer Coordinator. If you would like to join us, please give me a call.

We would like to extend our outreach program to all residents who may need assistance with occasional small tasks. You can also find service providers listed in the Crane Lakes Resident Classified section of our monthly Courier which offer help with chores, errands, transportation, etc. Another great resource is The Council of Aging of Volusia County, which is a non-profit organization serving Volusia County Seniors. They offer services for nutrition, including home-delivered meals; in-home care, including light housekeeping, personal care, transportation to appointments, companionship, respite care; light chore services such as small household repairs; Senior Center activities, providing a variety of engaging social activities; telephone reassurance to check in and socialize; and more. You can call the COA at (386) 253-4700 or go to www.coavolusia.org for additional information.

EXTRA MEDICAL EQUIPMENT

Do you have extra medical equipment (walker, wheelchair, shower chair, etc.) that you would like to make available for use by your Crane Lakes neighbors? Call: Lucy Chiarolanza 322-8037 or Joan Melanson 763-1216 to make arrangements to pick up the items you wish to borrow. PLEASE REMEMBER TO RETURN THE ITEMS YOU BORROWED WHEN YOU NO LONGER NEED THEM!

100th Birthday Surprise for Bertha Schroeder!

Thank you to all who attended the April Birthday luncheon at the Roost! We are so blessed to have this restaurant here in Crane Lakes and the staff is exceptionally kind! I especially would like to thank Donna Pressley, Pat Kirzl and Pat Vander Vossen who shared their day with me! Although my "real birthday" isn't until August 11, 2024; my snowbird friends wanted to surprise me with a party to celebrate my 100th birthday early, so they could share in the fun! Lots of friends & even some of their husbands came! Colorful balloons, a beautifully decorated cake (made by one of our own residents), and a special bouquet of flowers made everything magical! P.S. The other girls got flowers too! I was deeply touched by your kindness! I never thought that I would reach 100 when I moved into Crane Lakes almost 4 years ago to be close to my sister, Joan Moran! You made me feel welcome to join in the card games! Soon, I joined in chair aroebics with Lori which is great fun! Some say "time flies when you are having fun" & I can honestly say that is true! God bless you all for caring for me and helping me out, when I need a hand!

Crane Lakes is a bit of paradise on earth and a family of "sorts" as you care for one another! Again, I will say "Thank You" to one and all, who made this day so special to me!

With much love and friendship,

Bertha Schroeder

For a more budget-friendly alternative, you can simply combine the *cheapest red wine* with *Peroxide!* Use equal parts of each for **ONLY ONE MINUTE!**

Cheers with Port

Grab a bottle of Port wine & reduce your dental expenses.

Were you aware that Port Wine has the ability to draw out toxins from the gums?

This antibacterial mouthwash only requires **3-minutes** to penetrate deep into the gum tissue. Upon spitting the residue into the toilet for the first time, you will witness the chunks of gunk that have been extracted. To prevent these chunks from adhering to the sides of your toilet bowl, flush while spitting. We store our Port wine on the bathroom counter along with a note reminding us to, "**Spit in the Toilet.**"

In case of any teeth staining, simply brushing with baking soda will resolve the issue. If you prefer less reliance on baking soda for brushing, there is a lighter shade of Port available. However, in my humble opinion, a traditional Port wine yields the best results.

"I have been working with Tom for several years now along with John and Hayden. They took over Allen Ins who I had used as my insurance agent for my portfolio of rental properties for 18 years. The fact that we stayed with them when things changed and we continue to receive good service speaks for itself."

Susan Goldthorp

Licensed Real Estate Broker and Landlord

"We could not be happier to recommend Tom Bieri and Allen Insurance as the only insurance agency you will ever need. Tom has been my personal agent for over 10 years. Not only has he saved us thousands of \$\$ on premiums, but no other agent has been as thorough, honest and timely in his correspondence with us."

Tom & Missy Franke

"Tom makes the process of insurance easy and affordable. He is a straight shooter that is knowledgeable and honest. He truly cares about his clients and their individual needs."
