2026 DIRECTORIES ARE IN!

Please stop by the office to pick up your 2026 directory during office hours. Please only ONE per household until everyone gets a copy. *Thank you*

ATTENTION RESIDENTS

To protect yourselves, please use licensed and insured contractors per the prospectus. It might be a good idea for you to know the background of anyone you invite onto your home site for any reason. You are responsible for the conduct of persons you invite into the community.

RENT IS DUE ON THE 1st of EACH MONTH

Remember, your rent is due on the 1st of each month. Late fees begin accruing after the 7th day of the month. To avoid late fees, please have your rent in the office by the 1st. If you have any questions, please refer to your prospectus. ***Automatic debit from your checking account is available, just call our office.***

GOLF CARTS

We are requesting that you do not let anyone drive your golf cart in the community under the age of 14. There have been complaints that underage children are driving golf carts in the community and almost hitting a person or persons. This is dangerous for the child and the community. We want to try and keep everyone safe. *(see safety guidelines for golf cart operations)*

GARBAGE, RECYCLE AND YARD WASTE

Management is getting many complaints about garbage being put by the street too early. Please remember that Garbage, Recycle, and Yard Waste may be placed at the side of your driveway no earlier than the night before pick-up. If you have contracted someone to trim and weed your lot, please make them aware of our rules and regulations. Please do not put any debris on the storm drainage as we do not want anything to go into the water system that should not be there. It will also prevent the water to drain when needed.

REMINDER: GARBAGE CANS REQUIRED

When putting your garbage out for pick-up, it is now a requirement to have it in a garbage can. The State came into Crane Lakes and did an inspection and noticed that there were some homes with garbage out for pick-up only in a bag. We were informed that your garbage is required to be in a garbage can for pick-up. The City does not provide them because we are a private community. Please have your garbage in a can with a lid which will also help prevent animals from tearing your bags and making a mess. We appreciate your cooperation.

FERAL CATS AND OTHER WILD ANIMALS

Please **do not feed** the feral cats or other wildlife in the community. They become a nuisance to your neighbors when they see you as their food source. It also can attract other animals to the area or create animals digging under your home. It is your responsibility to hire a licensed and insured trapper when wild animals become a problem for you and your home. Please consider everyone in the community before feeding any wildlife.

Golf **RULE** of the Month

Golf **RULE** of the Month _____

Mark your ball when it's on the green!

If a player makes a stroke from the putting green and his/her ball strikes another player's ball, the player who makes the stroke incurs a 2 stroke penalty. Not the person who failed to mark their ball but rather the one who makes the stroke. If either of the balls were off the green there is no penalty. If there is any chance of hitting another player's ball while both balls are on the putting green insist that the ball be marked!

Tips from the **Tee**

Power comes from 3 sources in the Golf Swing...

1. The hands/wrists whipping through impact. This comes from hinging the club in the backswing and releasing the club through impact.
2. The ground. Loading your weight into your trail leg/hip in the backswing, shifting your weight onto your lead foot in the downswing and eventually pushing back against the ground.
3. The rotation of the body. Specifically, the turning of the shoulders and the hips. The greater the separation of the shoulders from the hips the more power you will have.

Just a Friendly Reminder: Fix your BALL MARKS !!!!

When a golf ball lands on the green it leaves a mark. If that pitch mark is left as is and isn't repaired within a few hours it causes irreversible damage to the green. The generally accepted rule is to fix yours and find 1 more pitch mark to fix. If we all try to leave the golf course better than we found it the course will remain in great condition.

COMMUNITY Outreach

We would like to extend our outreach program to all residents who may need assistance with occasional small tasks. Please note that Outreach Volunteers cannot respond to calls for help with falls or other medical emergencies – those calls should be made to 911.

This monthly Courier lists community service providers in the Crane Lakes Resident Classified section which offer help with chores, errands, transportation, etc.

Another great resource is The Council of Aging of Volusia County, which is a non-profit organization serving Volusia County Seniors. They offer services for nutrition, including home-delivered meals (Meals on Wheels); in-home care, including light housekeeping, personal care, transportation to appointments, companionship, respite care; light chore services such as small household repairs; and telephone reassurance to check in and socialize. You can contact the COA at (386) 253-4700 or go to www.coavolusia.org for additional information & services.

If you know of a friend or neighbor who is unable to get out and about and may benefit from a call, or an occasional visit from one of our Outreach Volunteers, please contact Rick or Bobbi Eskey at (386) 317-5472 with their name and/or address – or drop a note in the HOA Box, in the hallway by the gym, with their name and/or address. We are always looking for Volunteers to help out – even to just drop off a Courier to a neighbor each month - as little or as much time that you can offer for the calls or visits, will be greatly appreciated.

“I have been working with Tom for several years now along with John and Hayden. They took over Allen Ins who I had used as my insurance agent for my portfolio of rental properties for 18 years. The fact that we stayed with them when things changed and we continue to receive good service speaks for itself.”

Susan Goldthorp

Licensed Real Estate Broker and Landlord

“We could not be happier to recommend Tom Bieri and Allen Insurance as the only insurance agency you will ever need. Tom has been my personal agent for over 10 years. Not only has he saved us thousands of \$\$ on premiums, but no other agent has been as thorough, honest and timely in his correspondence with us.”

Tom & Missy Franke

“Tom makes the process of insurance easy and affordable. He is a straight shooter that is knowledgeable and honest. He truly cares about his clients and their individual needs.”
